President's Message

Presidents, Secretaries and Treasurers (PST) Meeting on 1 July 2019

We have many affiliated dog clubs and once a year we have a PST meeting. It is a great opportunity for club executive members to meet with the Board and DQ employees to discuss matters of collective interest. Clubs are invited to submit agenda items in the lead up to the meeting and this makes for a productive forum.

We had an extensive agenda of submitted items and this was supplemented by presentations by our CEO, on some key initiatives for DQ and one by Director, Jeremy Cook, on possible cost saving initiatives for clubs including multi-show catalogues, and the use of just stewards at shows, both at the sole election of the club running the event.

I enjoyed chairing this productive meeting and kicked off proceedings with some of my thoughts about innovations that clubs might consider. I think it is important to look at best practice in the running of events and shows both here in Australia and overseas and seeing whether the trial of some of these practices would be worthwhile. I flagged the option of putting out a discussion paper to clubs setting out some possible options with pros and cons and seeking feedback.

One example I gave was having champion classes at Conformation Championship shows in the US. We will see a version of this judging system in operation at the forthcoming API FCI Show on Friday 19 July. I encourage conformation show people to enter their dogs to experience this system in action or at the very least to come along and watch the proceedings. I think that it is so important to keep an open mind about possible beneficial changes to our shows and events. Some innovations may have the effect of piquing the interest of both seasoned and new exhibitors and competitors.

I also mentioned the fact that some of our clubs are incorporated associations and some remain unincorporated. I am looking at DQ providing support

and information to clubs in this area with fact sheets about the benefits of incorporation and the steps that are involved in achieving that status.

It was a good cooperative atmosphere as I worked through the agenda with input from club representatives, and some directors and DQ employees. The club representatives will report back to their clubs and members and draft minutes of the meeting will be issued to the clubs in due course. This arises from the fact that this is a DQ and Club executive meeting. It is not a meeting of the wider membership.

So I was disappointed to find that the agenda items had been unilaterally posted by Mr Chris Woodrow on social media the very next day. These items were submitted by clubs for the sole purpose of the PST meeting. It was counterproductive to post these agenda items in isolation without the benefit of information about the meeting discussions and any outcomes. And of course those minutes will be drafted by the CEO and provided to the club representatives and other meeting attendees for any feedback in due course.

Director Training

It is important that the elected Directors have a good understanding of their duties and responsibilities. So most directors will be undertaking a very focused education session concerning directors obligations and corporate best practice on Monday 8th July 2019. A tender process was utilized to select the training service providers

State and National Titles for Agility, Obedience, Dancing with Dogs, Rally-O, and Lure Coursing.

I was delighted to spend some time last Sunday at these State and National titles. It was great to see these sporting events using most of our extensive grounds at Durack. The atmosphere was great and it was terrific to see so many interstate competitors. Congratulations to all of the organisers including directors Barb Murfet and Laurie Knauth on a very successive series of events.

Mrs Sandy Mundt

At the PST meeting I also proposed a vote of thanks to Mrs Sandy Mundt. Sandy has been generating sashes for all breeds and breed clubs since 1964. Many clubs and agricultural shows have been the recipients of her generosity with the routine donation of some sashes for their events. I know from personal experience that she has also “forgotten” to charge new breed clubs for their sashes in the early years of their specialty shows.

For a number of reasons beyond her control Sandy has decided to bow out of providing this service.

I would like to extend the thanks of the dog world to Sandy and her trusty helper Helen Wildridge for the wonderful professional service they have provided for so many, many years.

Our Dog Breeders and PR materials

One of our strengths as breeders is in our commitment for the life of the dogs. I was contacted by a woman who purchased a whippet from me 10 years ago but now the 10.5 year old dog no longer suits her lifestyle and she wanted me to rehome him. The good thing is that she contacted me and I found a wonderful new home for him in Perth. This is a service that we as reputable breeders routinely fulfil with dogs we have bred and differentiates us from other puppy providers. We should be strongly marketing this to the wider community.

And on that subject of public relations and marketing, I would like to see a working party of members with journalism skills and excellent writing skills conducting an audit of our DQ brochures and related information materials and coming up with recommendations on content and presentation. So, if you have those skills please get in touch with me or with our CEO, Scott Wiseman.

On a final note there was an interesting segment in the Law Report on Court Dogs. This is a Victorian trial quietly using dogs for support in a remote videoconferencing rooms for witnesses giving evidence in court cases. They referred to one of the trained dogs as a “thoroughbred Labrador”. Perhaps a slant we should take with our DQ breeders giving great thought to their breeding programs. I encourage you to listen to this podcast. <https://radio.abc.net.au/programitem/pgmVyqx2PV>

And remember that every day is a day of golden opportunity.

BOARD NOTES JULY 2019

DOGS QUEENSLAND LIFE MEMBERSHIP

Life Membership may be granted to any member of the Dogs Queensland who has rendered outstanding or special services to the Dogs Queensland. That person shall retain membership of the Dogs Queensland for their life unless otherwise determined by virtue of any exercise of disciplinary proceedings under the CCC(Q) Ltd Rules.

Any Affiliated Kennel Club or Financial Member may nominate any member for Life Membership. That person will have a minimum of fifteen (15) years continuous full membership of the Dogs Queensland and must have been a member of a Club or Clubs during that time. Such nominations are to include a citation, which provides the justification for the nomination. Citations for those Life Memberships awarded will be published in the Dog World magazine, and, where possible, presentations will be made at an appropriate function or event. The CCC(Q) Ltd Board of Directors will consider all nominations on their merit and with strict confidentiality.

The Board sees the grant of Life Membership as honouring a member who has been truly outstanding in his or her support of Canine Affairs, particularly beyond that of a single Club.

All nominations for 2019 Dogs Queensland Life Memberships should be received in the Dogs Queensland Office no later than Wednesday 17th July 2019.

CCC(Q) CODE OF ETHICS

The Board has noted that a number of newer Members maybe have not read or understood our Code of Ethics, they are produced here in their entirety;

2.1 In consideration of the CCCQ Ltd accepting me to membership, I undertake to abide by this Code of Ethics that:

- (1) I shall ensure that at all times, all dogs under my control are properly contained within a fenced area or suitable enclosure, properly housed, fed, watered, exercised and receive proper veterinary attention if and where required;
- (2) I shall permit any person authorised in writing by the CCCQ Ltd Secretary pursuant to a resolution of the Board of Directors to enter and inspect any premises owned or occupied by me for the purposes of investigating compliance with Section 2.1 of this Code;
- (3) I shall not allow any dogs under my care to roam at large or to cause a nuisance or be aggressive to

neighbours, other dogs, members of the public or persons carrying out official duties. I will ensure that my dogs wear properly tagged collars (unless an appropriate exemption from a Local or State authority has been granted) and when in public or open areas be leashed or otherwise under effective control. If I live in a koala habitat area, I shall keep any dogs under my care enclosed in a building or pen at night to reduce the likelihood of attacks on koalas;

(4) Should I be required to leave a dog in the care of another person for any period of time, I will ensure that the other person is aware of the requirement that the dog is to be kept leashed or under effective control at all times;

(5) I agree not to breed from a bitch or a dog in a way that is detrimental to the dog or the bitch or to the breed. I further acknowledge that I shall breed only with the intent of maintaining and/or improving the standard of the breed and welfare, health and soundness of my dogs and I shall strive to eliminate hereditary diseases within my dogs and from within the breeds;

Further:

(i) I shall not mate any bitch kept or owned by me before it has reached the age of twelve (12) months at the time of mating. This is not intended to reduce minimum age requirements for breeding set out in the Rules of National Breed Councils and/or Breed Clubs;

(ii) I shall not breed from any bitch kept or owned by me causing it to whelp more than twice in eighteen (18) months;

(iii) I shall not breed any bitch kept or owned by me causing it to whelp more than four (4) times without prior veterinary certification of fitness for breeding. This certification must be forwarded to the CCCQ Ltd for each mating after the fourth (4th);

(iv) I shall not breed any bitch kept or owned by me aged eight (8) years or over at the time of a mating unless I have a current Veterinary Certificate stating that the bitch is in good health at the time of breeding. This Certificate must be presented at the time of registration of the litter resulting from this mating. A current Veterinary Certificate is defined as being within three (3) months prior to the mating;

(iv) I shall not breed from any male dog under nine (9) months of age; and

(vi) (a) I shall not mate my bitch or dog to a close

relative, i.e. mother/son, father/daughter or brother/sister. Notwithstanding the above, progeny as a result of these matings will not be registered without first gaining pre-approval from the CCCQ Ltd for the mating for scientifically proven welfare or veterinary reasons;

(b) any breach of this clause will constitute an offence by the member/s who are the owners of either the sire or dam of the litter. The progeny resulting from such a breach will be registered on the Limited Register and endorsed “never to be upgraded” and any further penalties may be determined by the CCCQ Ltd.

(6) I agree that when selling any dog that my primary obligation must be for the welfare of the dog specifically and for the breed generally and I further undertake that if I dispose of any dog either by sale, commission or on consignment to any reseller of dogs in Australia or Overseas that transaction must comply with Rule 26 and such registration must comply with Rule 28.4 and be identified by Microchip before disposal;

(7) I shall not directly or indirectly give a dog as a prize or donation in any contest or raffle of any kind;

(8) I agree with the principle that any veterinary surgeon performing an operation on a dog that changes the natural conformation of the dog may report such operation to the CCCQ Ltd;

(9) I shall adhere to all the current ANKC Ltd Regulations (Parts 6.2 4-8, 6.8 2-11, 6.9.1 and 6.9.19) and any subsequent amendments (see Appendix 1 hereto) if specified for my particular breed. I shall record such information/scores for my breeds as required by any ANKC Ltd Regulations;

(10) I shall breed only for the purpose of improving the standard of the breed;

(11) I shall be bound by the CCCQ Ltd Rules applying to the Limited Register. I further agree to be bound by any decision of the CCCQ Ltd in respect to registrations on the Limited Register, with such decision/s of the CCCQ Ltd being binding and final without right of appeal;

(12) I shall not permit any of my purebred dogs to be mated:

- (i) to a dog of a different breed;
- (ii) to a crossbred dog;
- (iii) to an unregistered dog of the same breed;

(iv) to a purebred registered dog of the same breed that is not the property of a current financial member of the CCCQ Ltd or other State/Territory Controlling Body and in the case of a bitch, where that aforementioned member does not hold a valid Breeder’s Prefix; or

(v) to a dog not on the Main Register.

(13) I agree to only sell a dog where there is a reasonable expectation of a happy and healthy life and I will assist in the rehoming of a dog if the initial circumstances change;

(14) I shall not:

(i) sell or otherwise transfer from my care any puppy under eight (8) weeks of age. I will liaise with my veterinary surgeon to determine a vaccination regime appropriate for my dogs and shall provide a current Vaccination Certificate, signed by a veterinary surgeon registered under

the Law of Queensland or another State/Territory, with any dog leaving my care; and

(ii) export any puppy under (11) weeks of age. When exporting, I accept that it is my responsibility to have the dog Microchipped and obtain an Export Certificate before the dog leaves Australia and comply with all current requirements of the relevant Government body or its successor;

(19) I shall be honest regarding the characteristics of the breed and shall not falsely advertise a dog or

mislead any person regarding the performance or quality of any dog on offer;

(20) I shall comply with all provisions of the Animal Care and Protection Act 2001 (Qld) and with the Laws relating to the keeping of dogs promulgated by my local authority. I accept that it is my responsibility to keep abreast of any changes to the local Laws;

(21) I accept that, should I become aware that any of my dogs have any contagious disease, I will notify the office of the CCCQ Ltd within seven (7) days of becoming so aware. I acknowledge that I will be unable to exhibit or dispose of any dogs that are within my kennel for a period of three (3) months of such notification unless cleared to do so by a registered veterinary surgeon. Furthermore, I acknowledge that the CCCQ Ltd may, at the expiration of the said three (3) month period, require me to provide a veterinary clearance in respect of the dogs contained within my kennel;

(b) committed an indictable offence or summary offence;

(c) being found liable for defamation or libel in civil court proceedings instituted as a result of conduct in the dog world context;

(d) threatening or abusive behaviour, whether verbal or physical;

(e) harsh treatment of dogs; or

(f) use of the name of the CCCQ Ltd in an unauthorised manner.

(23) I shall not register a dog with a Registry Body not recognised by ANKC Ltd.

ZONE 2 & ZONE 3 OPEN SHOW JUDGES

All Clubs are reminded that for all Zone 2 and Zone 3 Open Show Judges involved in the Judges Training Scheme, that Clubs in Zone 1 would be offered reimbursement of the airfares or similar fuel costs to contract one of the Open Show Judges resident in Zone 2/3 for 2019/20. It is hoped that this will assist all Judges in our Northern areas. Each Club is offered the reimbursement for one Judge per Calendar year; all fares would have to be approved by the Office prior to booking.

ANKC Ltd Survey : Labrador Retriever Dog Owners

In accordance with Regulations Part 6 – The Register & Registrations Clause 8.17 an online survey is now available from the link provided below where ANKC is seeking feedback as to whether a Litter Registration Limitation is to be applied to litters mated on or after 1 June 2020 where the minimum breeding age for Labrador bitches is 18 months at the time of mating (unless a veterinary certificate is produced stating that for health reasons the bitch should be mated before 18 months).

If litter registration limitations are approved for the Minimum Breeding Age for Labrador Retriever bitches, breeders of litters whelped on or after 1st June, 2020, will be required to comply with the requirements as a prerequisite to registration of any litter on the ANKC Ltd Main Register. Litters which do not meet the above requirements will only be able to be placed on the Limited Register and will be flagged not to be upgraded.

A majority of registered owners within the breed and responding to this survey must be in favour before approval is given by the ANKC Ltd.

Responses to the survey are required by 24 August 2019.

LURE COURSING ...

do it for your dog

The 2019 Winter Coursing Carnival was held on the 22nd and 23rd July, with 81 entries on the final day.

The concept of the carnival is to hold a two-day lure coursing event, where scores from each day are added together to find an overall Winter Coursing Carnival Champion. This event is unique to Queensland at this stage and may be a precursor to a National Titles event one day.

The Queensland Sighthound Association (QSA) host the final day and the Amstaff Club host Saturdays' event. Entries came from all over Queensland, New South Wales and Canberra.

Lure Coursing is an all breeds sport and this year we had Bassets, Bracos, Borzois, Belgians and lots of other breeds that didn't start with "B". Lure coursing as a sport was developed to test the functionality of Sighthounds, by using plastic bags tied to a string and dragged across a designed course on a fenced field. And by dragged, we mean, a lure machine pulls the bags at speeds up to 80km/hour.

At 80 kph the bags can stay ahead of any dog, but dogs are devious, and dogs are creative, so the lure driver must be one step ahead of the dogs and be wary of short cuts and sudden bursts of speed from the cunning canines.

Robyn Bromley

Course lengths vary from 650m up to about 810m on our final day. So, it is also a test of endurance for the dogs as they must run this course twice to get a passing score on the day. And endurance is one of the judging criteria, along with follow, agility and enthusiasm. Judges critique and give the dogs a score out of 100 and then do it all again, in the opposite direction.

Titles for the sport start with Junior Courser and progress all the way up to Coursing Ability Excellent and Lure Courser of Merit.

If you have a fit dog and it likes to chase, then you probably have a potential Champion Lure Courser in your backyard. There's not too much training after that, it's all about instinct and fun. With lure coursing you let your dog loose and then it is all about the dog and the bags. It's not how well dressed you are, how much training you've done or how concise your commands are, it's about the dog running, straining, skidding, turning, diving, rolling and giving everything it has to catch those bags. Owners often get a little bit misty watching their dogs perform on the lure coursing field because it is about the dog doing something it wants.

This year “Piper” the Whippet or Alvares Chasing Rainbows was the 2019 Sighthound Winter Coursing Carnival Champion and “Charmed” the Belgian Shepherd or Mirribandi Charmed was the 2019 Coursing Ability Winter Coursing Carnival Champion.

In August the QSA are hosting Australia’s first Beauty and Performance Trophy, to be held in conjunction with their Championship Conformation Show and Lure Coursing Trial. This Sighthound only event is open to Sighthounds competing in both the lure coursing trial and the conformation show. It will be held at the end of both events to award the top three dogs that competed in both events.

Lure coursing is a growing sport so come and give it a try. If your dog loves it, you’ll both be hooked.

A Borzoi showing its amazing leaping gallop when coursing in snow

THE REMARKABLE BORZOI

The Borzoi was bred for hundreds of years by the Russian nobility and wealthy land owners. These sighthounds were used to hunt any fur bearing game, especially hare, fox and wolf but also mink, as Russia was the main supplier of fur pelts in European trade for centuries. Borzoi could catch and hold game without damaging the fur and the dogs were highly prized. They are still used for hunting in Russia but in other countries where live hunting is disallowed, the Borzoi does well at lure coursing and occasional track racing.

Although it took a long time before people from western countries noticed the unusual Russian breed, the Borzoi became a status symbol with European and English aristocracy generally from the tradition of the various Tsars awarding a pair of these precious dogs to other notables. Queen Victoria received a pair in 1853 and again in 1868. The Prince of Wales and Queen Alexandra bred them as did King Christian of Sweden, Emperor Frederick of Prussia, the Queen of Rumania, the Duchess of Newcastle and many other aristocrats of Europe and the UK.

At dog shows, the Borzoi had a boom period of popularity throughout the 1880s to 1900s and are well known in Art Nouveau as well as numerous bronze statues, porcelain ornaments, illustrations and paintings. Many notables entered their dogs at shows and the Tsar himself sent 20 Borzoi over to Crufts in 1892. However like other large breeds during the First World War, Borzoi numbers declined during the government prohibition on breeding and many valuable bloodlines were lost especially in the war zones of England and Europe. In Russia, the revolutionaries slaughtered hundreds as being representative of the hated Tsar but there were pockets of surviving dogs kept safe by hunters and other devotees of the breed.

During the 1920s, the breed regained favour and were actively bred as Russia's valuable hunting dog in both government and private establishments. Annual specialty dog shows also recommenced. In western countries in the 1920's and 1930's numbers increased rapidly when film stars, Vogue magazine and Art Deco

Borzoi statue Art Deco

sculptures again popularised the Borzoi as the top status breed for the rich and famous.

The word “Borzoi” means swift and is the traditional name of the breed although some early 19th century writers referred to them as Siberian Greyhounds or Russian Greyhounds before the Russian name Borzoi was established in the west from about 1880. In America, the breed was known as Russian Wolfhound for about 35 years until 1934 when the name reverted to Borzoi.

These gentle giants are one of the quietest breeds around. Many never bark in their lives. Strangers

are usually greeted with a grin, a nose poke or a big lean but some individual dogs can be aloof until the stranger proves to be suitable to know. Generally the Borzoi is not a watchdog and enjoys sleeping on the most comfortable lounge in the house. In cold weather, they love to run but do not do well in the heat or hot climates. They can be prone to heat stroke.

The unusual shape of the Borzoi developed naturally as a result of their hunting style across the open, relatively flat Russian terrain that was covered in snow during the main hunting season. Normally the dogs trotted beside hunters on horseback until game was sighted. A Borzoi can see the slightest movement on far horizons and chase with very long leaps across the snow as the most efficient method of covering the ground in temperatures that can be easily minus 20°C. They have both speed and endurance to hunt all day when in suitable conditions. For hunting wolves, two or three Borzoi were used as a team to catch and hold until the hunter arrived but with smaller game one or two dogs are used and a Borzoi can carry a large hare back to its owner.

A Borzoi should be graceful, elegant, dignified and aristocratic but also powerful with great speed. Males are noticeably taller than bitches and usually have a more pronounced arch and fall away to their flowing and very flexible topline. Bitches are smaller and feminine but never weedy. The distinctive narrow

heads are very long with strong jaws and prominent veining on the muzzle. Eyes are almond shaped and set obliquely and have very wide peripheral vision. Ears are small and tightly folded in the neck fur for protection against the cold or attacking wolves. Deep oval chests with well sprung ribs allow plenty of lung and heart room for extreme exertion while the very powerful hindquarters are well angulated, wider than the forequarters and provide the power for the long leaping gallop. Tails can be very long reaching below the hock or to the ground and are well fringed in long hair. The distinctive seasonal coat is long, silky and can be flat, wavy or rather curly and comes in many different colours and markings all of which are of equal value in the show ring.

This ancient and unusually shaped breed is a highly functional hunting Sighthound for cold climates but is also a gentle sweetie that is an easy housedog for the couch in the times between its speedy dashes across the fields.

THE WOODFORD SHOW SOCIETY'S ANNUAL SHOW

At the recent Woodford Show Society's annual show a new initiative was introduced to help give Dogs Queensland a higher profile in the local community. School children from the local schools and Day Care Centres were invited by the Society to visit on the Friday free of charge. It was decided to take advantage of their visit to give them a small presentation about the purebred dog world. The aim was to educate our future members about purebred dogs at an early age!

It was a great success with the feedback from the children and the teachers being very positive. The presence of the Dogs Queensland trailer and the distribution of 'sample bags' to the children helped make the day a success. The opportunity to pat and interact with purebred dogs kindly presented by exhibitors was also a big hit.

The presentation will be a regular occurrence at the Woodford Show in the future. It will raise the community's awareness of the advantages of buying a purebred from a registered Dogs Queensland breeder and of the many sports available in the dog world. Agility shows are a great venue to reach out to local communities.

There has been a great deal of support and enthusiasm for this presentation from so many people in the dog world and I would like to thank everyone who helped. Most especially I would like to thank Jodie Wilshier, Chris Woodrow, Scott Wiseman, Mark Davidson and the very brave Kim Haddon for standing up in front of the children to present the talk. Comments on social media have been very positive and it is planned that this initiative be further expanded and refined to reach the wider local communities.

Organisers of the Woodford Show Society's annual show would like to thank all those involved in coordinating the event and sponsors, Pro Plan and Moreton Bay Equine Vets.

All Dogs Sports Spectacular

The All Dogs Sports Spectacular is coming to Durack on Sunday 26th August 2019! Hosted by Dogs Queensland, it is Brisbane's largest dog sporting event showcasing the A-Z of dogs who will compete and go paw to paw in a wide variety of sporting competitions.

Festivities commence at 9am with demonstrations including Canine Disc, Dances with Dogs, Obedience, Agility, Noseworks, Flyball and Duck Herding. The elite of the dog world will be watching the Best of Breeds and show dogs competing for a host of prizes.

There will be fun for the whole family. Kids can cuddle their favourite pooch, follow the tracking dogs to find Wally, enjoy face painting, sample fairy floss and get passports to the breed stalls where they can collect stamps and a prize. For the very first time there will be an operational fire truck complete with Dalmatians for photo opportunities. Other entertainment for this festive weekend will be amusement rides, slides, jumping castles, teacups and a trackless train.

A great selection of food will be on offer and include sausage sizzles, food trucks, woodfired pizzas,

Alicia Adamopoulos

dagwood dogs, burgers, baked potatoes, kebabs, French crepes, calamari and fries. Alternatively, dog lovers can indulge in a coffee and cake from our onsite café. All of which can be enjoyed at our number of eating areas.

While at the All Dogs Sport Spectacular take time out from watching the dog activities to wander through our variety of dog related market stalls. There are also numerous breed stalls on display where you can talk to the breeders, discuss their special breed of dog and if that breed is suitable to your lifestyle.

Bring your family and fur baby for a day to remember. There is free onsite parking and off leash areas amongst our 52 acres. Entry is by a gold coin with proceeds going to the PTSD Service Dog Support Program.

We look forward to seeing you there.

Eukanuba™

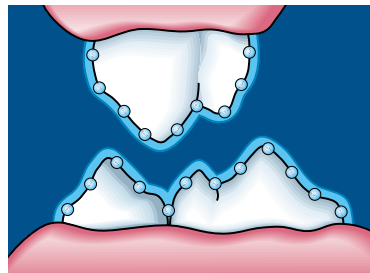

THAT'S A EUKANUBA™ DOG

Your dog's dental health is vital to their overall wellbeing

Step 1 – During meal: Crunchy S-shaped kibble helps to scrape away deposits from the tooth.

Our unique kibble has a dual action benefit with a crunchy S shape and specific minerals to help reduce plaque and tartar build up to maintain healthy teeth and gums.
