Page 25

Welcome to the April issue of the Queensland Dog World.

I attended both the Breeder's Seminar on 11th March and the Veterinarian's Seminar on the 12th of March and I must admit I was very impressed with the interaction between the speakers (Professor Claire Wade and Dr Bethany Wilson) and our Dogs Queensland Breeders, not only during the 'Q & A' section but after the seminars were finished.

The amount of Breeders and Veterinarians who enquired as to when the next seminar would be was a tribute to the fact that Dogs Queensland is heading in the right direction. The success of these seminars could also be contributed to the cooperative organisation skills of our Marketing Manager, Helen Mackie and our Health Committee Chair, Gaille Perry. Thank you for a job well done.

To our sponsors, Flight Centre and Dogtainers, your considerable sponsorship, not only for the seminars, but also for other future endeavours, is greatly appreciated by Dogs Queensland and all its members.

To our caterers, Carolyn Pearen and Helen Acworth, everyone commented how fabulous the spread was, these ladies worked their socks off. To Ainslie Carius, John Hansen, Bob Dorr and Natalie from the office who all pitched in and helped, thank you all for your time and effort. Where would Dogs Queensland be without our willing volunteers?

Flight Centre also donated a \$250.00 Voucher as a lucky ticket prize. This was won by Dr Tony Thelander from ValuVet.

During the course of the Strategic Plan Meetings, members raised many different questions regarding Judging, Officials, the Disciplinary Process and the Code of Conduct, etc. The Conformation Judges Committee, with contributions from a few Dogs Queensland members, have taken the initiative and produced a Member's Education Scheme, which consists of ten modules covering all of the above members' questions and much more.

These modules will be presented over many months of this year. The first two modules will commence on the 16th of April at 7:00pm in the Judges Training Room at Durack:

Module 1 – Course Overview

Module 2 – Dogs Queensland Operations.

There will be a small cost of \$10.00 per module or a discounted price of \$75.00 for the ten module course. Members, please book your modules through the Dogs Queensland Office.

There will be flyers emailed to members and a notification placed in the Dog World magazine regarding all modules. As this has been initiated by members, I urge members to support and attend the Member's Education Scheme and gain some answers to all of your questions and possibly some more knowledge.

The Conformation Judges Committee will be taking measures to ensure that our Zone 2 and Zone 3 members will not be disadvantaged and make this available in those areas in the very near future.

On Behalf of the Board and all Dogs Queensland members, I would like to express a huge vote of thanks to the two retired Directors, Mrs Helen Acworth and Ms Robyn Nicholson for their enormous contributions over their two year term. Ladies, you will be sorely missed and we wish you both well in all your future endeavours.

When is your breed featuring?

May
'Little and Spunky'

► **Affenpinscher, Griffon Bruxellois, Havanese, Papillon**

June
'Hairless Heros'

► **Chinese Crested, Xoloitzcuintle, Peruvian Hairless**

July
'Viva La France'
French Dog Breeds

► **Basset Fauve De Bretagne, Brittany, Briard, Grand Basset Griffon Vendeen, Basset Hound, Bloodhound, Dogue De Bordeaux, French Bulldog, Petit Basset Griffon Vendeen, Papillion, Griffon, Poodles**

Please note: because we have so many French Dog Breeds listed for July we will only be able to promote the breeds that are submitted to the office. If you would like to see your breed featured in the July magazine please forward photos and articles to be advertised. We may not be able to publish all articles submitted.

Copy deadline:

All magazine content for The Queensland Dog World is required to be submitted prior to the 1st of the month for the following months issue.

No exceptions can be granted.

Front cover photograph policies:

All readers of the Queensland Dog World are invited to submit photographs for front cover consideration. **(a)** Paid cover and breeds of the month given first preference. **(b)** Highest quality photograph chosen from above. **(c)** Actual photographs requested - not digital prints. **(d)** Only portrait (vertically aligned) photographs will be accepted. **(e)** In the event no photographs are received for **(a)** above, then a submission of another breed may be chosen - again, paid over non-paid. Head shots, groups or show poses are accepted.

The opinions expressed in contributor's articles are not necessarily those of the Dogs Queensland Committee. This magazine reserves the right to refuse the publication of any item or advertisement and, whilst every effort is made to ensure copy is reproduced correctly, no responsibility is taken for error.

Notice to advertisers

The Trade Practices Act came into force on 1st October 1974. Certain provisions of the act relating to consumer protection place a heavy burden upon advertisers, advertising agents and the publishers of advertisements. In view of the obvious impossibility of our ensuring that advertisements submitted for publication comply with the act, advertisers themselves need to ensure that the provisions of the act are strictly complied with. In cases of doubt, advertisers are advised to seek legal advice before submitting advertising material.

Board Notes for April 2015

Durack Fun Days

As previously from 2014, Clubs using Durack for 'Fundays' or similar events will only be allowed to do so twice a year. The dates for 2015 will be Sunday the 10th of May and Sunday the 15th of November. The Board has further agreed that all events will have a \$1 per attendee levy or \$40 whichever is the higher amount. This amount brings it in to line with events being held at Durack and it is of equal value to the current Open Show Grounds levy for Breed Clubs.

Show and trial dates

All Clubs holding any Shows or Trials in 2016 are reminded that all requests for alterations are required to be submitted to the Dogs Queensland Office no later than the 30th of June 2015.

Obedience, Agility, Tracking, DWD, Rally-O, Endurance, Herding and Lure Coursing Judges Training

All applications to enter the Judges Training Scheme for the disciplines above should be received no later than the 30th of May 2015.

Food handling certificate

For any Schedule submitted from the 1st of September 2015, all Clubs Catering at Durack are required to have a representative to hold a Food Handling Certificate. The General Manager investigated courses available to assist Clubs;

The Durack Committee have recommended the following course: <http://www.brisbane.imalert.com.au/> It is free and is recognised by the Brisbane City Council.

The Food Handling Certificate of the nominated representative must be lodged with the Schedule.

ANKC news

APPROVAL OF 2016 NATIONAL SHOW APPLICATION - COCKER SPANIEL SOCIETY OF NSW

The ANKC are pleased to advise the approval of the 2016 National Show application received from the Cocker Spaniel Society of NSW via DOGS NSW to be held on the 28th and 29th of May 2016 at the Hawkesbury Racecourse, Racecourse Road, Clarendon NSW.

The ANKC website will be updated accordingly.

STRATEGIC PLAN AVAILABLE FOR ALL

After twelve months of consultation with Members, Committees and other stakeholders of Dogs Queensland we have now reached a point where the Strategic Plan has been endorsed by the Dogs Queensland Board. The three rounds of consultation open to all members has resulted in a fully detailed plan with goals, strategies and performance measures now awaiting action by all.

Dogs Queensland is proud of the fact that the process has been open, inclusive and dynamic and we are confident that the core issues, aspirations, values and ideas of the Membership have been incorporated in as collaborative a way as possible.

We may not all agree with everything in the plan but it certainly gives us strong guidance on what we need to do to build Dogs Queensland as an organisation and as the 'go to' agency for all in the dog world.

The full Strategic Plan is uploaded onto the website. For those who would like a hard copy of the plan please contact the Dogs Queensland Office.

We thank all who were involved in the development of the plan and look forward with great anticipation to it being implemented over the next five years. As you will see, there is a role for us all to implement it.

CREDIT CARDS

Please make sure all details submitted to the office are correct including all numbers and especially the expiry date. The Dogs Queensland administration office prides itself in the timely way in which the work is processed and having to contact Members to check details delays processing of all work.

DIRECTOR ELECTION RESULTS MARCH 2015

In accordance with the provisions of our Constitution, the Returning Officer of the Australian Electoral Commission (AEC) informed the Preside of the results of the ballot for the election of the six new Directors of the Board of Dogs Queensland.

Existing Directors who will remain on the Board until March 2017 are as follows:

- Norma Zimmerle
- Ainslie Carius
- Lionel Blumel
- Ulla Greenwood

- Sandra Mundt
- David Weil

In the order of the number of votes received, the Directors elected until March 2019 are as follows:

1. Carolyn Pearen
2. Barbara Murfet
3. Shaneen Bendixen
4. Shane Thomas (Zone 3)
5. Craig Pettett (Zone 2)
6. Timothy Thomas

REGISTRATION OF SEMEN

All Members are asked to take note of the ANKC Regulations that states fresh or frozen semen from local or imported dogs must be registered at the time of or prior to the application for registration of a litter from that semen.

Alterations and additions to approved judges' list

Championship:

RAFT News

Retrieving and Field Trials Committee

The RAFT Committee assists Dogs Queensland in supporting the Field and Retrieving trialling community (Clubs and individuals) in ensuring field sports for working gundogs continue to thrive and individuals have the opportunity to participate in field events sanctioned by the ANKC.

Retrieving Ability Tests For Gundogs (R.A.T.G)

Want to know more?

We all enjoy our dogs and many of us like to play and train with our dogs in a manner that reflects their development heritage. For many this might include Obedience, Rally-O, Agility and several others. But some of us with gundogs like to develop our dogs' interest in field work. One way of doing this is to train for and compete in Retrieving Ability Tests.

In these tests the dogs can demonstrate a short heeling pattern (off lead) and a recall. Then they need to complete 2 retrieves on dummies. These retrieves are quite short and simple. There are no guns or game used in these exercises.

Novice Class is simple and straightforward while Open Class seeks more control demonstrated in the heeling pattern and more difficult runs for the dogs. These are a little longer than for Novice and may include double marks and/or blinds.

It is immensely satisfying to train your dog for this field and is a good introduction to more advanced Retrieving Trials.

RATGA's are regularly held in the Brisbane area and in Maryborough. Your dog does not need to be on the General or Limited Register with Dogs Queensland but will need to be assessed by a panel as being a gundog and can then go on an Associate register to compete.

Titles available are Novice Retrieving Ability [NRA] and Open Retrieving Ability [ORA].

Enquiries:

Brisbane area: Contact the clubs listed

Maryborough: Carmen Sinclair, **Ph:** 0406 921 560

Retrieving Trials Rule Update

Effective from the 1st of January 2015. The Rules are available online at: <http://www.ankc.org.au/rules.aspx>

Want to play?

Many working gundog breeds never get the chance to do what genetically their whole being drives them to want to do. When given a chance they exhibit extraordinary excitement and enthusiasm. These outdoor experiences could be lots of fun for you and your dog.

Thank you all

As from the end of March Bowen for People and Pets will no longer be trading at Durack. I would like to thank all who have supported me. I have really enjoyed my time there, working with you all and your beautiful dogs.

I will be working from my clinic at Bilambil for a couple of days a week until we have sold the farm. For any queries or concerns, I can be contacted on (07) 5590 9043 or email me at: bowentrina@gmail.com

Thank you for your patronage, will miss you all,
Trina Cunningham

Dogs entered on their respective days must remain on exhibition in their allocated bench or area from 8.45am to 4.30pm. Any Exhibitor who is unable to conform to these times and conditions should not submit an entry. Any alterations to the arrival and departure times of exhibits will be up to the discretion of the Chief Steward.

138th ROYAL QUEENSLAND SHOW Friday 7th - Sunday 16th August 2015

Canine Royal Queensland Championship Show

The allocation of a judge/s for each day may change due to excessive breed numbers not known until after the close of entries. Notification of any changes will be posted on the Royal Queensland Show website at: www.royalqueenslandshow.com.au

Mr Alan Small (England)

Parts of Group 2
RNA Group 2 Specials

Mr Small has been showing dogs regularly for over 30 years. These breeds include Staffordshire Bull Terriers, of which he has been awarded CC 12 times, Parson Russell Terriers, Border Terriers and Australian Terrier. He has judged Terriers throughout the UK and Africa.

He is a member of the Terrier Group Judges Development Programme and has passed the Breed Club's "Hands ON Seminars" for Bull Terriers, Border Terriers, SBTs, Parsons, Glens, Kerry Blues, Lakelands, Manchesters, Norfolk and Norwich Terriers, Ceskys and Wire Fox Terriers. He has also attended the Terrier Group Multi Breed Hands on Seminars for Australian Terriers, Airdales, Bedlingtons, Borders, Ceskys, Dandy Dinmonts, Irish, Machesters, Parson Russells, Sealyhams, Skyes, SBTs, Welsh & WHW Terriers.

Mr Manuel Borges (Portugal)

Parts of Groups 4, 1
General Specials

Manuel has been involved in dogs since a Junior, his father was a Brittany Spaniel breeder in the 60s and in the 70s he was already showing in Junior handling competition. He has very successfully bred Portuguese Sheepdog, Labradors, Beardies and Corgi Pembroke, being the first breeder of last two in Portugal.

He is Vice President of the PKC, member of Judge Committee and started judging in 1988. He has judged on the most prestigious Shows all over Europe, in Portugal, Spain, France, Gibraltar, Belgium, Holland, Luxembourg, Ireland, Germany, Austria, Hungary, Slovenia Croatia, Romania, Greece, Israel, Denmark, Norway, Sweden Finland, Russia, Belarus, as well as South Africa, The Philippines, Kazakhstan, Thailand, India and Australia. He judged Champion of Champions of Hungary, Austria, South Africa and BIS of BIS of Spain.

Mr Alfredo Gomez (Columbia)

Parts of Groups 1,3, 4,
Group Specials 1, 3, 4

Mr Gomez has been showing and breeding dogs for over 30 years. His passion is breeding Whippets and his dogs have been the first in their breed for the last five consecutive years.

In 2004 Mr Gomez became an International Judge of all Breeds after starting his judging career in 1984. He has officiated in Canada, Mexico, Honduras, Guatemala, Nicaragua, El Salvador, Panama, Colombia, Venezuela, Ecuador, Peru, Brazil, Argentina and Chile.

Mr Zaur Agabeyli (Azerbaijan)

Parts of Groups 5, 6, 7
Group Specials 5, 6, 7

Mr Agabeyli graduated as a Medical Biologist at the State Medical University of Azerbaijan. He is one of the founders of the Kennel Union of the Republic of Azerbaijan and has led this organization as President since 2001.

Together with his wife, they started breeding White West Highland and Cairn Terriers and they have had some success with these breeds. Since 1999 he has bred Dobermanns under his own kennel name "v. Feuer Stamm" and imported several successful dogs in Azerbaijan. For the last few years Mr Agabeyli has bred German Shepherds and has in his kennel both working and show line dogs.

Mr Agabeyli has been judging since 2006 throughout Azerbaijan as well as in Bulgaria, Cyprus, Estonia, Georgia, Germany, Kazakhstan, Kyrgyzstan, Latvia, Lithuania, Moldova, Macedonia, Montenegro, Finland, Norway, Russia, Czech Republic, Philippines and San Marino, Slovakia, Spain, Ukraine.

Mr Martin Riady (Indonesia)

Parts of Group 7	RNA Open Sweepstakes
RNA Baby Puppy Sweepstakes	RNA Non Champion Sweepstakes
RNA Puppy Sweepstakes	RNA Champion Sweepstakes
RNA Junior Sweepstakes	RNA Veteran Sweepstakes
RNA Intermediate Sweepstakes	RNA Neuter Sweepstakes

Martin Riady's life revolves around dog-related activities and has been involved in many breeds since the early eighties. Through the years his breeding under the prefix 'Lambrou' Chihuahuas has been blessed to produce many champion Chihuahuas in two continents.

He has been actively involved with and has bred and/or campaigned Shetland Sheepdog, Bulldog, Dobermann, Great Dane, Miniature Pinscher, Rottweiler, Jack Russell Terrier, Yorkshire Terrier, Miniature Dachshund, Basset Hound, Beagle, Labrador Retriever, Boston Terrier, Pekingese, Pug, Shih Tzu, Basenji, and has produced the very first West Highland White Terrier champion in Indonesia.

Mr Riady is a dog columnist and has authored and published 'Beginner's Guide to Dog Show' in 2005. He has been involved with the Boxer Club of Indonesia and has served as General Secretary of Toy Dog Club of Indonesia. He has been judging throughout the provinces of Indonesia, Singapore, Thailand, India, Philippines, Malaysia, Japan, China, and Australia.

Currently he is the Vice President - Show, Breeding & Registry of PERKIN Jakarta District Office.

Mrs Karen Wilson (USA)

Australian Terrier

Mrs Wilson began in dogs in 1966 with an Irish Setter, showing in conformation and obedience. Karen and her husband were active breeder/owner-handlers with their Airedale Terriers and Cairn Terriers, while their two daughters participated in Junior Showmanship.

Mrs. Wilson began judging in 1991 and is approved to judge all Sporting, Hound and Terrier breeds, Junior Showmanship and Best in Show. She has judged the National Specialties for Irish Setters, Airedale Terriers and Cairn Terriers, as well as specialties for many of her other approved breeds. She has judged in Canada, China, Denmark, South America and Australia.

She is a past president and officer of the Cairn Terrier Club of America, secretary and board member of the Dog Judges Association of America and a member of Charlottesville-Albemarle Kennel Club.

To complement April's breeds, we feature titles on the **Airedale Terrier, Foxhound, Pointer, Manchester Terrier, British Bulldog and the English Setter.**

We have quite a long list of breeds featured this month. On checking the Library shelves I found books on all of breeds mentioned. Below is a list of books currently available for borrowing:

Airedale Terrier: Airedale Terriers by Mary Swash and Donald Millar
The Airedale Terrier Today by Janet Huxley

Pointer: The Pointer by Kitty Edmondson and Cicely Robertshaw
Pointers and Setters by Derry Argue (see book review)

Manchester Terrier: Manchester Terrier by Phil Shane

British Bulldogs: Bulldogs Today by Chris Thomas

English Setter: The New Complete English Setter by Davis Tuek

This is quite an impressive list of books but there are others available from the Library.

Visiting the Library

The Library will open again shortly, look out for new opening hours for 2015. However, should you wish to access books from the Library at any time, please contact me on 0407 961 025 to make alternate arrangements. I am only too happy to assist in any way I can.

Helen Acworth
Librarian

This month's member review is:

'Pointers and Setters'

Written by Derry Argue

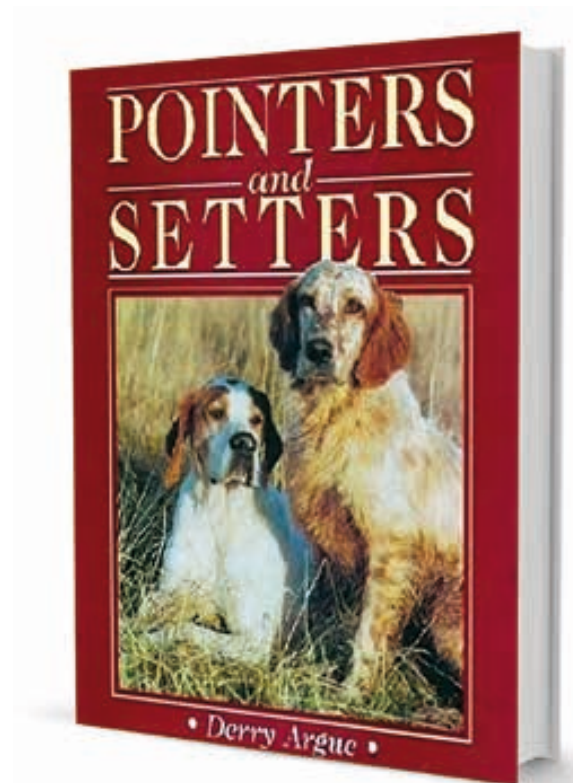

Reviewed by Helen Acworth
Library and Archives Committee

The author of this book, Derry Argue, is a leading gundog breeder and trainer. Derry has many years experience of breeding and training working dogs, particularly bird dogs which he came to know through a long-standing interest in falconry.

Included in the book are chapters on the origins of Pointers and Setters and advice on choosing a bird dog with the emphasis on the psychological approach to training with explanations on how dogs think and learn.

While this book is more about the training and education of the working bird dogs, it does cover areas of breeding and care but not particularly aimed at the Show Dog. It does give another insight into the purpose of the breeds.

Other book on Pointers mentioned in 'Library News', The Pointer, does give more attention to showing so both books give a very overall picture of the qualities of the breed.

Feature Breed

The Queensland Dog World

The Manchester Terrier

Dogs Queensland Exclusive

Supplied by Sharon Williams

Appearance:

The Manchester Terrier is a smooth coated breed with a jet black coat and rich mahogany tan markings. He is sleek and elegant with a long wedge shaped head. He has a keen alert expression.

The standard states that a Manchester has the following colour distribution; Jet black and rich mahogany tan distributed as follows; on head, muzzle tanned to nose, nose and nasal bones jet black. Small tan spot on each cheek and above each eye, under-jaw and throat tanned with distinct tan V.

Legs from knee downwards tanned with exception of toes which shall be penciled with black and distinct black mark (thumb mark) immediately above feet. Inside hind legs tanned but divided with black at stifle joint.

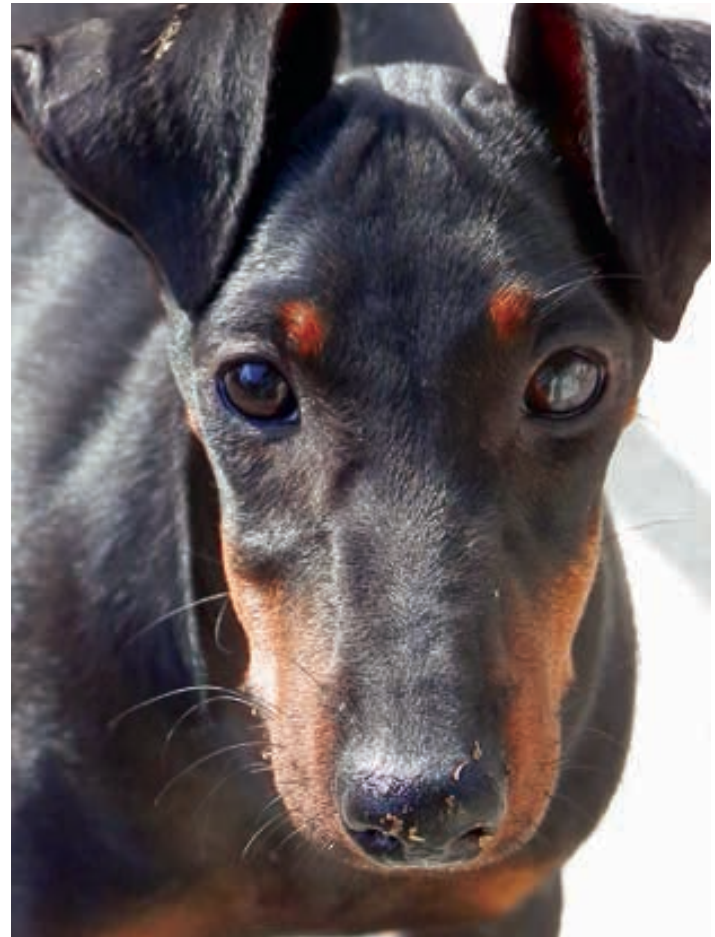

Under tail tanned, vent tanned by marking as narrow as possible so that it is covered by tail. A slight tan mark on each side of the chest. Tan outside hind legs, commonly called breeching is undesirable. In all cases black should not run into tan and vice-versa, but division between colours clearly defined.

History:

The Manchester Terrier is one of the oldest terrier breeds. Manchester Terriers can be seen in Dr Caius' (Physician to Queen Elizabeth 1) book of 1570. There is also a picture of a Manchester Terrier in the 'The Hours of the Virgin' c1500.

Originally named the Black and Tan Terrier the name was changed in 1925 to the Manchester Terrier. Most probably to honour the fact that the best breeders lived in and around the Manchester area. Most notable of these breeders was Mr Samuel Handley.

The two most popular terriers in England in the mid 1900s were the Black and Tan Terrier and the now extinct White English Terrier.

The Black and Tan's were famous for their abilities in the rat-pits and as companion pets. In fact some of the dogs from this period would not be out of the prize line up these days.

Manchester Terriers were the only Terrier breed to have a separate entry in the first English Stud Book covering the period 1859 to 1874. The first official showing of these dogs was in 1860 in Birmingham, England. In 1864 special classes for Black and Tans with uncropped ears were introduced. By the end of the 19th century Manchesters were losing popularity.

One of the reasons for this was the law passed in 1898 which forbade the cropping of dogs' ears. No dog born after the 31st of Decemeber 1889 could be shown with cropped ears.

In the late 1890s a number of dogs were exported from Britain to countries around the world. Holland imported Miss Nellie, Broomfield Tickler, Strangeways Colonel and Manchester Empress. America imported Vortigern, Broomfield Madge, Broomfield Sultan, Buffalo General, Buffalo Lass and many others.

Australia imported Sir Burke, Halifax Ben, Broomfield Pearl and Lady Portland.

Continued from page 15

At the end of World War II only 11 pure bred Manchester Terriers were left in Great Britain. Thanks to the endeavours of a few dedicated breeders the breed is now well on the way to recovery.

Our thanks go to Mr W. R Hardwick, Mr K. A H Cassel and Mrs E Teague-Knight who without their dedication the breed would now be extinct.

From 1944 until 1954 the number of Manchesters was still so low that the Kennel Club did not offer any Challenge Certificates. However, numbers had increased by 1955 and Challenge Certificates were once again available.

The first post war Champion was Ch Oldane Sensation owned by Mr W R Hardwick and bred by Mrs D I Keefe. Manchesters in Australia died out during the World Wars and were reintroduced in 1965. Two imports from the Eaglespur Kennel re-started the line in Australia. They were Ch Eaglespur Loyalist and Ch Eaglespur Joyful.

From that point on in time Manchesters have not looked back.

Some may think the Manchesters are new to the terrier world but clearly the breed has been around since the early 1500s.

Temperament:

Manchesters are affectionate and make very loyal companions. They are best suited when an integral part of the family. They love to snuggle up to their owner. They are reserved with strangers however once established as a friend they are never forgotten.

Manchesters have above average intelligence and the true terrier temperament. They are sensitive and have very good memories. They are not aggressive and are usually not noisy dogs. They are not yappy. They will only bark for a reason. This may be excitement, warning or to gain your attention. Manchesters have a big bark for a small dog.

Care and Grooming:

Manchesters are not a high maintenance dog. They do not like rain despite their country of origin and should be rubbed down with a towel if they get wet. They really only need to be bathed if they have rolled in something unpleasant or the mud. Manchesters do not have a doggy odour so they make the perfect house dog.

A mild shampoo and a rub down with a chamois is all that is required. The condition of a Manchester's coat is always an indication of his health.

Health:

The Manchester Terrier is a very hardy breed. They rarely suffer from any ailments and are long lived. With proper food, shelter from the cold, exercise and of course lots of love a Manchester can live to seventeen years of age.

A genetic bleeding disorder Von Willebrands Disease (vWD) is associated with the breed. However, this can be tested for prior to breeding and selling or buying a puppy.

Average size, weight and lifespan:

Size: 

Exercise Requirements: 

Grooming Requirements: 

Weight: 10 kg (approx)

Life Span: 13 - 16 years (approx)

BLACK HOUND www.blackhoundenterprises.com.au  BlackHoundEnterprises

The Pointer, *the point of life*

Dogs Queensland Exclusive

Supplied by Sandra McGrath

I personally have been involved with the breed for over twenty years now and the only breed I have ever shown, I qualified for Crufts at my very first show with my first Pointer Lilly TeddyHawks Minool, who is sadly no longer with us. She also took out 3rd at Crufts in her class which was quite an accolade to achieve in a huge class.

This breed of dog are know for their field work just as much if not more than conformation showing.

They make wonderful family pets as their gentle nature and friendly attributes give them all the quality without the issues many other breeds have to contend with these days.

Since returning to Australia in 2009 and bringing my two older Pointers over with me from the UK, I have bred four Australian champions, two of which are now living in New Zealand and have gained their Titles over there also.

My eldest bitch Nell has been used as a therapy dog in the United Kingdom and I am in the process of getting her into doing the same here in Queensland.

So, why would you want to share your life with an Airedale Terrier?

Dogs Queensland Exclusive 

Supplied by Jay Bailey

Apart from being a versatile breed, they are enthusiastic, curious, happy and always interested in what's going on. I've been privileged to have had five ATs (Airedale Terriers!) in my life and a common trait is energy.

ATs can be a bit of a handful if you don't keep them occupied (like most breeds if you think about it) and are not happy tucked away in a back yard. They love human interaction and are happiest when included in everything their uprights do.

There are a variety of dog sporting disciplines you can get involved in (apart from Conformation Showing) and given the energy levels of Airedale Terriers, perhaps think about exploring Agility Trialling or Obedience or the best fun of all – Lure Coursing!

Agility involves completing a course under time (similar to equestrian comps) and with no course faults. Dog and handler ideally work as a team, which can be interesting with Airedales who may decide to interpret the course their way! If nothing else, working with my boys has taught me about patience because whilst it's a team sport and you plot how to do the course - your dog is responsible for completing the course which can include jumps, tunnels, weave poles, an aframe, a seesaw or a dog walk. Completed correctly earns you a clear round and after a prescribed number dogs achieve titles – that's then time for one big happy dance!

Obedience is yet another discipline that you and your AT can get involved in. I've competed in Rally-O which is a great place to start because it lets you talk to your canine companion whilst you work your way through the course. From there you have the option of potentially graduating to more structured obedience trials where titles are also obtainable.

One of those trophies has a special place on my desk at work because against all odds we scored a place and a CCD title despite a cricket match in progress on an adjoining field, model planes overhead and trail bikes buzzing in the background!

Feature Breed

The Queensland Dog World

Bushvelt Born So Smart (aka Harry) JD, AD, FCH, SPD, GD, CCD, SD

Aust Ch Rappaire Mystic Terminator (aka Riley) competing in Agility

Lure Coursing is where I think an Airedale is happiest – ears flapping and running in pursuit of a plastic bag (I know, it sounds bizarre). Whilst Lure Coursing is traditionally a sport associated with sighthounds, our version involves a ripped plastic bag tied to a rope and pulled via spindles and pulleys by a specially designed motorcycle. The course is irregular and somewhat similar to the way a hare might run. The rules allow dogs to run in pairs (if compatible) or solo and on occasions when we have breed days. It's just fantastic to see large numbers of the one breed running amok.

Please be assured lure coursing in Queensland is fully endorsed by the RSPCA and is a fun way to keep your AT fit and healthy. One of my boys - Jak (Rappaire Scream an Shout JD RA) is actually a Queensland Lure Coursing Champion and took out first place against all other breeds. In fact terriers as a whole generally excel at this discipline. Events are held regularly at the club's grounds at Kuraby located on Brisbane's southside, so check out their website to see when the next meet is on.

So if you don't have the capacity to dedicate yourself to what's required in a Conformation Show ring then please consider the fun and the benefits of other dog sports. I'm happy to share what I know and to encourage Airedale Terrier owners to get involved because life with an Airedale is always full on and keeping them stimulated and involved is part of what responsible dog ownership encompasses.

The English Setter

English Setters are gundogs. The breed was known in England in Elizabethan times, although the modern English Setter was developed only during the last century. Used by hunters to locate upland game such as quail and partridge, the breed is enthusiastic when at work, having a keen game sense. In the field it ranges out from the hunter and on locating game, drops before it in a crouch.

This instinct is still strong in lines bred both for the show ring and as companions. English Setters look forward to and enjoy their exercise, however once the daily walk is over they are quite content to curl up at their owner's feet, or better still, on their owner's bed!

Average size, weight and lifespan:

Dogs: 65-68 cms (25.5 - 27 ins) height at shoulder

Bitches: 61-65 cms (24 - 25.5 ins) height at shoulder

Lifespan: About 10 to 12 years

Care requirements:

English Setters are active dogs that benefit from regular exercise. If they do not receive a daily walk and/or run in the park, they will tell you about it by either barking for attention or digging holes in the garden. Such behaviour is not specific to this breed, but is typical of any dog that becomes frustrated through lack of attention. Although a long coated breed, English Setters possess a silky textured coat that is easy to maintain. Brushing or combing for ten minutes twice a week is sufficient to groom the coat. However it is always a good idea to check for grass seeds or burrs immediately after a romp in the open.

This way you will prevent coat tangles and foreign bodies from entering the skin, eyes and ears. Show dogs are kept in show trim, with breeders always being prepared to help new owners master the technique. It is not necessary to keep a pet English Setter this way, but making sure the coat is clean, free of tangles, plus trimming away knots beneath the ears and excess hair from between the toes, will all make for a happy and healthy dog. Between baths, a sprinkle of talcum powder brushed through the coat will help keep your dog smelling sweet.

Compatibility with other pets:

Being such good-natured dogs, English Setters will live happily with most pets. They are social animals and are best kept with another dog.

Personality, characteristics and temperament:

English Setters are intensely friendly by nature. Well mannered with other dogs and loyal and affectionate by disposition, this breed is ideal as a companion for adults and children. English Setters are truly reliable in temperament, so thoroughly deserve the honour of being called 'the gentlemen and gentlewomen of the dog world'. A well known television program places them in its Top Ten of recommended breeds. This is a dog that thrives on human contact, so English Setters will not take happily to being left to their own resources for long periods of time.

Ideal owners:

If you have a young family and want them to grow up with a reliable, even-tempered dog, and if you enjoy regular exercise and quality time with a loyal, good natured companion, then the English Setter is for you.

In conclusion:

Now you know a little about the English Setter. If you have decided this is the dog for you, or if you would like more information, please contact either the relevant registered Breed Club or Dogs Queensland.

Either will be able to give you information about available puppies and also suggest dog Shows where you can see the breed and speak to a breeder.

The Foxhound

The Foxhound was developed in Great Britain in the 13th century for the purpose of trailing the red fox.

Average size, weight and lifespan:

Dogs: 58 - 64 cms (23 - 25 ins)

Lifespan: About 12 to 14 years

Compatibility with other pets:

They prefer to be in the company of other dogs and do quite well with other animals. Indeed Foxhounds can become bored if kept on their own.

Personality, characteristics and temperament:

The Foxhound is a very active, bold and passionate hunter. Responsive and obedient to his master, but training takes patience.

Care requirements:

The Foxhound is an easy going dog that nonetheless needs plenty of exercise. It is bred to run for miles and it can make a good jogging companion on leash or a hiking companion in a safe area.

It can live outdoors in temperate climates as long as it has warm shelter and bedding and, preferably, another Foxhound. The coat needs only occasional brushing to remove dead hair.

Ideal owners:

They are friendly with people and excellent with children. Foxhounds possess a good 'voice', something which can make them not the ideal dog for urban areas.

They need an active owner willing to devote the time to keep them well exercised.

In conclusion:

Now you know a little about the Foxhound. If you have decided this is the dog for you, or if you would like more information, please contact either the relevant registered Breed Club or Dogs Queensland.

Either will be able to give you information about available puppies and also suggest dog Shows where you can see the breed and speak to a breeder.

The British Bulldog

Dogs Queensland Exclusive

Supplied by Lucas Perrett

A descendant of the Asiatic Mastiff and originally bred for the barbaric sports of bull baiting and dog fighting between approximately the thirteenth century and 1835 when these sports were banned by the Humane Act in England. However it was not until 1842 that the last bull baiting fight was closed.

During this time the British Bulldog was bred for strength, aggression and tenacity, giving them a formidable reputation. It is this reputation that most famously linked the bulldog with political figure; Winston Churchill.

After the abolishment of these sports the bulldog was almost lost except for a small group of fanciers that kept the breed alive and developed them into the modern Bulldog. During this time the temperament of the bulldog changed quite dramatically. With Bulldogs no longer needed for fighting and baiting the modern Bulldog has been developed into what is regarded one of the most gentle and affectionate breeds. However the strength and tenacity aspects of the breed remained, they are now regarded as gentle giants.

The modern Bulldog still retains the hallmarks of a fighter. The layback of the skull used to allow them to breathe when they would latch onto a bull's neck from underneath and their distinctive facial rolls allowed the blood of a bull to drain from their face without it running in their eyes or nose.

They have a turned up undershot bottom jaw and a 'lock' jaw that allowed them to grip without letting go. It is also these characteristics that give the Bulldog its distinctive 'sour' expression.

The modern male Bulldog still retains enough pressure in his bite that could crush your forearm, however the modern temperament sees the Bulldog very calm and non-aggressive. Another hallmark of the breed was a double row of teeth in their upper jaw, though this is now very rare as it has been bred out over time.

The modern Bulldog is still very front strong with all their power being produced from their chest and shoulders. A modern Bulldog is approximately 25 to 28kgs for Dogs and 23 to 25kg for Bitches. According to the standard they should be 'very wide at the chest, laterally round, prominent and deep, making the dog appear very broad and short-legged in front.'

The body should have good spring of rib, with the belly tucked up. The back should be short and strong, very broad at the shoulders, and taper back to the loins.

There should be a slight fall to the back close behind the shoulders at its lowest point.

Feature Breed

The Queensland Dog World

The spine should rise to the loins then curve again more suddenly to the tail, forming an arch - a distinctive characteristic of the breed called the 'roach back'.

The modern Bulldog is not built for speed so if you are after an active breed that can run and play all day with you or you have a very active lifestyle, then the Bulldog may not be for you. Also due to their front heavy construction they are not very good swimmers and their swimming ability has been likened to a house brick.

However, if you are looking for a quiet companion that is loyal, affectionate and a perpetual puppy then the Bulldog ticks all the boxes. Bulldogs are very sensitive to their owner's moods and will be happy when you are and compassionate and loyal when you are down making them a true companion in every sense of the word. They are also very calm and patient with kids and elderly.

Part of the Bulldogs' charm is they look intimidating but in reality they are not. Nevertheless they can be very protective of their families. They are very conscious of their own power and strength making them very self-assured, this coupled with their natural tenacity and determination makes the Bulldog notoriously stubborn.

This is often mistaken for a lack of intelligence, however the Bulldog is very intelligent, but if a Bulldog doesn't want to do something then it generally won't. This stubbornness can make them hard to train, which means a strong consistent training regime is a must.

100 years of the Bulldog in Queensland

The Queensland Bulldog Club was established on the 12th of May 1915 by Mr Willard and gained its Dogs Queensland and Australian National Kennel Council Affiliation in 1970; making it a long tenure in the dog world of Queensland a wonderful achievement.

With founding members including Mr Proud of Prouds Jewellers, His Excellency the Governor of Queensland, Alderman Hetherington, and then Lord Mayor of Brisbane, the Hon A. H. Whittingham; The Bulldog has been the breed of choice for many prominent Queenslanders.

In 2015 The Queensland Bulldog Club will celebrate its prestigious centenary year making it one of the oldest speciality Breed Clubs in Queensland. To celebrate this momentous occasion the Club will be holding a Special Show Centenary Show on the 8th of August along with its annual speciality show.

The Queensland Bulldog Club has been fortunate to secure world renowned international breed specialist Judges, Ann Wildman and Sonia Davis from England for these Shows. We are hoping to attract a huge number of local and interstate exhibitors and even more enthusiasts and visitors.

This will also fall in conjunction with the Queensland Royal Show making a great celebration of what I think is the best breed in the world.

We encourage everyone to come and join in our milestone and celebrations with us. We will also be holding fun day events and fundraising activities throughout the year which we hope everyone will support.

Stay tuned to our club website (www.qldbulldogclub.com) and Facebook page for all the Bulldog news.

The history of the Pointer

New Zealand Champion Sanmarlitch Magical Mango (fifteen months old)

Dogs Queensland Exclusive

Supplied by Sandra McGrath

The History of the Pointer dates back as far as 1650 in England. It is believed the Pointer came to be in the late 16th or early 17th century when pointing breeds including Spanish and Portuguese Pointers were bought from Europe to England.

The Pointer was then taken to the US in the late 1800s and flourished in the vast open hunting land.

Also at that time the Setter was considered to be a bird hunting dog and the Pointer wasn't permitted to compete in field trials with Setters.

In the early part of the twentieth century the Pointer started to outshine the Setter at its own game and has dominated the pointing field trials ever since.

The Point comes from where the dog points out the location of the bird. The Honor is where the dogs stops immediately or within a short distance to the bird and takes up the pointing stance.

Pointers are still used extensively both in the field trials and conformation and are as elegant today as they were many years ago.

Westminster Kennel Club UK, still use the Pointer as their logo in their Coat of Arms to this day.

Zone 2 Dog World update, April 2015

Hi all,

Well, tumultuous is probably the best way I could describe recent events in Zone 2, and it's nothing to do with dog shows. Many parts of Zone 2, particularly the areas of Yeppoon and Rockhampton were affected by landfall of Tropical Cyclone Marcia.

More on that soon, there has also been plenty of other things happening in Zone 2 as our busy show and event schedule begins to ramp up for the year.

Tropical cyclone Marcia

The last tropical cyclone to directly impact the Rockhampton area was tropical cyclone David in the 1980s, so for many residents it had been a few years (well decades actually) and for many it was their first taste of a tropical storm.

Tropical cyclone Marcia was a slightly different proposition for residents as it intensified significantly prior to landfall and was a much more powerful and dangerous storm than many of those previous, so it was considered a very serious threat.

Directly in the firing line were the communities of Byfield and Yeppoon. As coastal areas, these communities faced the full ferocity of the storm.

Byfield is a very small community and surrounded by national park and forestry plantations which were flattened!

The town of Yeppoon was also significantly impacted by the storm. As a town with many old buildings damage in some areas was quite severe.

Yeppoon main foreshore -
Photo from *The Courier Mail* at www.couriermail.com.au

Yeppoon Scenic Highway -
Photo from *The Courier Mail* at www.couriermail.com.au

The storm also significantly impacted Rockhampton although was not as powerful by the time it reached the town. Quick geography lesson... being approximately 40km inland and having some protection from the Berserker Ranges, the storm had lost some of its potency by the time it arrived but still packed a punch.

Nerimbera Soccer Club -
Photo by *The Morning Bulletin* at www.themorningbulletin.com.au

All areas suffered fairly significant impacts in terms of trees down, loss of electricity for extended periods and damage to property. A bit of a check on the Dogs Queensland members in the area had everyone relieved that all were safe however, many have a very big clean-up job with property damage, and lots of vegetation to clear up.

All the best to the members who have been impacted in the zone by this weather event and hope to see everything back to normal very soon. The Rockhampton Kennel Club grounds and facilities did suffer some damage from tropical cyclone Marcia, please keep an eye on the Club's Facebook page and if there are any working bees advertised, please try to support them in the clean-up as it will be a big job.

Building destroyed in Rockhampton -

Callide Valley Canine Club Shows, the 7th and the 8th of March

In the wake of the cyclone the Callide Club were not able to utilise the undercover Robert Schwarten Outdoor Pavilion area for their March Shows due to its use by emergency response personnel. The club very quickly pulled together and arranged an alternate venue at Miles St for the shows to go ahead. A very enjoyable (albeit hot) weekend was enjoyed by all.

Unfortunately, the Club was not able to defer the Show start time significantly, or to a night Show as the light towers at the grounds were not working (one was leaning against a building actually). Well done to the Club, the workers and all the exhibitors for their ability to pull together and adapt to the changes.

Show Workers Training

A successful Show Workers Training for Stewards and Writers was conducted in Rockhampton on the 1st of March 2015 where several participants progressed on their pathway to becoming accredited show workers.

I am very confident that we will have a few new show workers accredited and working in the very near future in this region. It was a very productive and interactive session with lots of discussion, laughs and learning on an enjoyable day.

Big thanks to the Rockhampton Kennel Club who generously provided their clubrooms to enable the training seminar to be conducted, and thank you to Michael Watt who travelled up from Brisbane to oversee the facilitation of the training.

Continued from page 27

Dogs Queensland is establishing regionally based trainers to facilitate the more regular delivery of these seminars, which is a positive move. If you are interested in becoming an accredited Show Worker please contact Dogs Queensland to register for the next upcoming seminar or contact me.

For those who have already been show workers for several years, the seminars can still be valuable as a tool to revise the current rules and participate in discussions about applying them. For these experienced people the course structure is not around telling you how to 'suck eggs' or how to do a job you already know how to do, but more to demonstrate that your existing knowledge and skills are recognised through the accreditation process. This is required for both insurance and potential legal purposes where Dogs Queensland needs to demonstrate that all show workers at events are accredited through a standard process for their role.

For those members who may not necessarily wish to be a show worker, the program is extremely valuable in providing a solid grounding in the rules so if you sometimes wonder at shows why certain things are done and certain rulings are made, this will provide some answers. The sessions are free and lots of fun, so please consider registering.

Submissions

Submissions for the column are always welcome, so please send me any pictures, stories, ideas for stories or leads and we can include them in the column. Please send to craig.pettett1@bigpond.com

Sorry for the column this month, I did it in a real hurry. After nine days without power after the cyclone, I had a lot of catching up to do.

Until next time.

Bermagui 2015 Annual Trip

Dogs Queensland Exclusive 🐾

Supplied by Linda Bennett

Once again the usual crowd plus or minus a few did the annual trip to Bermagui on the NSW Victorian border. It took us two days to get there but perhaps next year we will take three as 1300km can be a bit gruelling.

We arrived a few days early so that the dogs could enjoy the beach and do a couple of practice sessions on the oval. Then the fun began with Bega Valley hosting three Championship Shows and three Obedience Trials.

The first day Lynn Fergusson qualified in the CCD ring with her Pomeranian Ch. Calarney Sir Galahad Jnr (Mango) as well as taking Challenge Bitch with her Pomeranian Zeigen Extra Essencee (Essy). Essy also took Challenge Bitch at the following two Shows. Des Strong qualified in the CDX ring with Border Collie Fidelis Quick Impact CDX taking out 3rd place with a score of 182 points.

Sadly the rest of us didn't manage to qualify at all on the first weekend. Wednesday both Bega Valley and Sapphire Coast clubs hosted Rally O trials. Annette Dobson qualified at both with Hungarian Wirehaired Visla Ch Habanero Grof Markus TD CD RN

(Marcus) in the Rally Advanced class. Sapphire Coast held three Championship Shows and three Obedience Trials on the final weekend where at the first trial Christine Barron qualified in the CCD class taking 3rd place out of an entry of twenty-six dogs with her nine month old Affenpinscher Simias Wavy Gravy (Archer).

In the second Trial Annette Dobson and Ch Habanero Grof Markus qualified in the CDX class with 182 points and second place. At the last trial Des Strong and Border Collie Fidelis Quick Impact CDX qualified with 186 points and second place. Lynn Fergusson's Pomeranian Zeigen Extra Essencee took out Challenge Bitch at all three Shows.

As always we had a wonderful time, great company in a perfect setting. Bermagui has to be one of the most beautiful places on earth. We are always made very welcome by the locals and the team that runs the events do a great job.

We are looking forward to next year already.

J. T. Toohey

Setter Breeder and Exhibitor

(1858 -1943)

Dogs Queensland Exclusive

Supplied by Catherine Bortnick, grand daughter of John Toohey and the English Setter Association of Victoria

Toohy is a name easily recognised in Australia as it is synonymous with the amber liquid, beer. Toohy's association with Australia dates from 1869, the year when John Thomas Toohy obtained his brewing license. John Thomas Toohy and his brother, James Matthew, were Irish immigrants to Melbourne and ran pubs here, The Limerick Arms and The Great Britain, before moving to Sydney in the 1860s. 'The rest' as they say 'is history'.

But there is a relative by the same name whose legacy is English Setters rather than beer. His ancestors left Ireland and settled in Canada and then relocated to the USA to settle in Illinois. John T. Toohy was born in 1858 and bred, showed and judged dogs all of his life up to his death in 1943. He is the grandfather of Catherine Bortnick who is a Facebook friend, and this is how his story has come to me.

J.T.'s most famous dog was Pride of Gibraltar T, who was sold to H. C. Hartley in England in 1914. Catherine never got to meet her grandfather as he died a few years before her birth, but she shares a common interest in dogs, is very proud of his achievement, and has done much research on his breeding programme, ably assisted by another Facebook friend, Andrea Strobl. Andrea has created that wonderful resource, the Willie Walker pedigree database, a depository for over 100,000 English Setter pedigrees, as well as information about people who have been significant to the breed.

One of these is John T.Toohy.

John Toohy's breeding of Llewelin Setters dates back close to the beginning of the breed as we recognise it today. Catherine has located about 50 of his dogs starting in 1885 with FDSB and AKC numbers, as well as articles about his judging and show career.

Here is a list of the English Setters J.T. either owned or bred:

Owner of:

- Wabash Blue

Post card of Pride of Gibraltar T, (John T. Toohey, born 1858)

Pride of Gibraltar T, a black, white and tan, was born the 1st of May 1912. His Sire was Gibraltar, so good looking it is reported that he could have competed at a Conformation Show and his Dam was Society Fashion. J.T. was an adherent of breeding 'by selection and not by paper' and this is favourably discussed by A. F. Hochwalt in Dogdom Magazine March 1919.

Toohey's contribution within the breed, as well as information about Pride of Gibraltar T, received coverage in A. F. Hochwalt's 1923 'The Modern Setter' pg. 164, 243, 170. This includes a photo of Pride of Gibraltar T, later sold to W.C. Hartley in 1914 and exported to England, where he went to live at Mallory Hall, Hincksley.

Pride provided a valuable infusion of new DNA to help reinvigorate the working strains in Britain. It is reported 'that the founder of the Llewelin breed (Purcell Llewelin 1840-1925) made frequent use of Mr. Hartley's American dog'. This dog's contribution to English Setter breeding is also extensively documented in Margaret Barnes' book, 'English Setters Ancient and Modern.'

How incredible that through Facebook this information about one of the breeders who helped establish the modern working English Setter in America and then via Pride of Gibraltar T, in Britain, has come to light and can be shared with you here.

Francis Toohey with his dog Banner Blue (Catherine's father)

ROYAL CANIN®

Agility Sub-Committee Fundraiser Trial

MASTER CLASS WINNER

Masters Jumping: Karen Deguet (Agility) and Brian Platts (Jumping)

Winners: Lisa Kaddatz of Agislepaws Kennels and Border Collie

Winner name: Ag.Ch.500 Borregoppero
First Mate CCD RA ADM5
JDM7 ADO6 JDO7 SDM
GDM SPDM PT

'Punter' had made a remarkable recovery from surgery in October when he was diagnosed with cancer 'out of the blue.'

His Vets called him a miracle as he defied the odds and regained his fitness wanting to enjoy himself at Agility again so he started back in December at the Agility Sub-Committee's Fundraiser annual Purple Trial.

The Purple Trial was set up originally to assist in fundraising for The Australian Animal Cancer Foundation (www.animalcancer.org.au) and each year a cheque has been forwarded to this organisation in memory of so many dogs lost to cancer and to contribute in a small way to research.

Last year the entire proceeds from the Trial after expenses were donated to this cause to the amount of \$2,218.

Sadly this lovely dog's return to health was shortlived and he crossed the rainbow bridge last week.

March amendments and notes

Bundaberg Canine Club Easter Shows:

Ms J. Gagne (Canada) replaces Mr R. Natividad

Qld Bulldog Club:

Open Show 2nd of May 2015. This is a SASH only show and will be offering Class 12,12(a) and Neuter Sweepstakes. Entries accepted via showmanager.com

Sunshine Coast Kennel Club:

Championship Show 16th May 2015. This event will commence at 5:00pm with Handlers followed by Sweepstakes at 5:30pm.

Isis and District Canine Club:

Championship Show on the 31st of May 2015, there has been a change of Venue. Now held at Gin Gin Football Grounds, 45 Rangeview Rd, Gin Gin.

Camping available from Wednesday the 27th of May at \$15 per night per campsite (No Power Available) Hot and Cold Showers and plenty of room.

Come and enjoy country hospitality at Gin Gin for the Gin Gin Ag Show and Isis and District Canine Club Show.

Show schedule requirements:

All Clubs advertising are affiliated with the Canine Control Council (Qld) Ltd and their Shows are conducted under the Rules of the Canine Control Council (Qld) Ltd. A copy of such Rules may be perused with Club Secretaries.

Challenge certificates at Championship Shows are awarded at the discretion of the Judges and all Queensland exhibitors at Championship Shows must be financial members of the Canine Control Council (Qld) Ltd. Exhibitors may only enter the assembly or judging areas as prescribed in the Rules and must be suitably dressed including footwear.

Prizes and awards:

Either prizes or awards must be listed in full as they will appear in Club Catalogues.

Obedience Trial Schedules

The Queensland Dog World

March amendments and notes

Southside Dog Obedience Club:

Obedience Trial 17th of May 2015 Mrs H, Thiele replaces Mr G, Murray for CCD and CD

Show schedule requirements:

All clubs advertising are affiliated with the Canine Control Council (Qld) Ltd and their shows are conducted under the rules of the Canine Control Council (Qld) Ltd. A copy of such rules may be perused with club secretaries.

Challenge certificates at Championship Shows are awarded at the discretion of the judges and all Queensland exhibitors at Championship Shows must be financial members of the Canine Control Council (Qld) Ltd. Exhibitors may only enter the assembly or judging areas as prescribed in the rules and must be suitably dressed including footwear.

Prizes and awards:

Either prizes or awards must be listed in full as they will appear in club catalogues.
