2014**

Please enjoy our September issue of the new Queensland Dog World. The amount of members who have either phoned or e-mailed their positive responses to the first new look edition of the Dogs Queensland Magazine was indeed overwhelming.

Though still a work in progress and of course there were a few little gremlins, a fantastic start to our future nonetheless. Many thanks to our graphic designer Michael Zweck.

Ekka 2014

This year's Ekka was definitely one of the best, as far as Dogs Queensland's public relations was concerned. The start of a great working relationship between Dogs Queensland, Ronald McDonald House (Herston) and Delta Dogs, was officially launched by Ronald McDonald himself. It was very gratifying to see all the positive media support received at the Dog Pavilion, where the launch took place. Ronald McDonald was accompanied by two Delta Dogs, one a Bernese Mountain Dog named Zeon and the other an Alaskan Malamute named Luca who then made the walk to Ronald McDonald House (Herston), it was a sight to see.

On another positive note, the Dogs Queensland Showbags, for the second year, were a great hit with our members and the public. Our heartfelt thanks have to go out to our marketing manager Helen Mackie and Chair of the magazine PR & Media Committee Shane Thomas and to all of the hardworking committee especially Rana Spencer and John Hansen. I would also like to give a special mention to Elaine Curry for her tireless work in ferrying the showbags to and from the Ekka.

Also a large vote of thanks to all of the following Dogs Queensland sponsors for their contributions to making the showbag a success, and for the fabulous raffle prize of the hydro bath donated by Savel Mobile Pet Salons & Hydrobaths, which was won by Carolyn Pearen;

A huge thank you goes out to all the Dogs Queensland volunteers who worked on the Dogs Queensland stand. Without all of you this would not have been possible, my apologies if I've missed anyone;

It would be remiss of me not to say a big thank you to Rob Harrison and all the office staff for all their help as always and especially during the EKKA.

Library

Lastly, I would like to bring to all the Trainee Judge's attention that in our Library there is a wealth of information open to you, please consider using it to its full advantage. An example is a book written and illustrated by Robert W. Cole titled 'An Eye for a Dog.' I personally have read and since purchased a copy of this book, through the Library. If you are truly interested in learning then I recommend that this book be put high on your list. You can also purchase a copy through the Library or the Dogs Queensland Office.

The Trade Practices Act came into force on 1st October 1974. Certain provisions of the Act relating to consumer protection place a heavy burden upon advertisers, advertising agents and the publishers of advertisements.

In view of the obvious impossibility of our ensuring that advertisements submitted for publication comply with the Act, advertisers themselves need to ensure that the provisions of the Act are strictly complied with.

In cases of doubt, advertisers are advised to seek legal advice before submitting advertising material.

Show Secretaries are asked to ensure that that Show Managers are given a list of the contracted stewards and writers, so that the Show Manager can, where possible, allocate any trainees to the groups in which they are training. We understand that this is not always practical.

Regulations for Judges' Training Conformation 2014/2015 Self Education Program

General

1. The Rules and Regulations of the CCC (Q) Ltd Judges Training Program (JTP) are amended from time to time; such amendments are published in the Queensland Dog World. These CCC (Q) Ltd Regulations for the Judges Training Program comply with the philosophy of the ANKC Rules but also accommodate necessities required by the diverse nature of metropolitan and regional Queensland. These regulations are effective immediately.
2. Aspiring judges and all interested members are reminded that membership in the JTP confers no automatic right to become a Judge. Becoming a judge requires successful completion of the syllabus following which the aspiring judge must earn the privilege to be registered and acknowledged as a judge. This privilege may be withdrawn should circumstances warrant and after all facts have been considered.
3. An essential requirement of acceptance, and also continued progression, in the program (including applications for both theory and practical examinations) is a demonstrated significant and continued participation in the management or operation of an affiliated CCC(Q) Ltd Club (supported by documentation signed by at least 2 members of the Club Executive). This documentation MUST accompany ALL applications; for first time applicants, theory examinations, practical examinations, irrespective of the number of Championship groups a Judge may hold. Applications which do not include this mandatory documentation will be rejected unless appropriately documented reasons for extenuating circumstances are approved by the Conformation Judges Committee (CJSC).
4. Members are not permitted to accept judging appointments or sign contracts to judge, until official written notification from the CCC (Q) Ltd., advising their judging status, has been received by them (see also regulations 4a, 18 & 19).
 - 4a. As from June 2010 candidates residing south of Sarina will only be granted Open Show status in any Group after they have successfully completed the theory exams for that particular group. Once they have received a letter from DQ Ltd advising them of their appointment as an Open Show judge for this Group they may then sign contracts to judge the nominated group immediately. Trainee judges who had been granted Open Show status prior to 2010 will retain their status on the judging panel. The maximum number of Groups at Open Show level is four.
5. The CCC (Q) Ltd Judges Training Program is available for eligible members of the CCC (Q) Ltd who are residents of Queensland. Queensland residents who were previously members of other ANKC Affiliates, and were previously in an equivalent training program, will be recognised under a reciprocal agreement, provided all requirements are fulfilled.
6. Any persons who were previously resident in another State or Territory, (and members of that State or Territory) and were not in the Judges Training Program, and who are now bona-fide residents of Queensland, may apply to come into the program upon furnishing a letter from their previous controlling body showing they comply with the entry Requirements for Aspiring Judges.
7. The Judges Training Program is a continuous program. Persons who are unable to continue in the system through illness, injury or issues of a personal nature, should apply in writing to the CCC(Q) Ltd for leave of absence for a suitable period.
8. A member who has previously held Championship Judges status may apply for reinstatement. Where the period of absence from the Judges List is four years or more, reinstatement will be considered only after the member concerned has passed 90% of an Open Book examination on a number of the major breeds in the Group(s) plus those Breeds which have been introduced by the ANKC during their absence. In some instances, particularly for longer periods of absence, the CJC may require a practical assessment which would be conducted using similar procedures to the Practical Exam as described in regulations 27 – 32, and at a date to be determined by the CJC. Should the candidate fail the assessment, they would be added to the Open Show Panel and required to judge a further 25 dogs before applying for a standard Practical Exam. Applications for reinstatement are to be approved by the Committee of the CCC (Q) Ltd.
9. Any Trainee or Aspiring Judge who is found to have engaged in unsportsmanlike or unprofessional behaviour, or has breached the CCC(Q) Ltd Rules or the CCC(Q) Ltd Code of Ethics or the CCC(Q) Ltd Judges Code of Ethics, or is not fulfilling training regulations, will be held accountable and may be suspended or removed from the Training Program and / or the Judges Panel. The CJC, in considering whether to remove or suspend, will consider all the facts and will provide their recommendation to the committee of the CCC (Q) Ltd. A right of appeal is available and an appeal may be made to the CCC (Q) Ltd in writing within 14 days of the official notification of the removal or suspension.
10. Where a Trainee fails to comply with the Rules and Regulations of the training scheme within 18 months of their acceptance into the scheme, the CJC may recommend to the CCC(Q) Ltd that the person be removed from the Judges Panel. The CJC, in considering whether to remove a person from the Judges Panel, will consider all the facts and will provide their recommendation to the Committee of the CCC (Q) Ltd. A right of appeal is available and an appeal may be made to the CCC (Q) Ltd in writing within 14 days of the official notification of the removal.
11. Stewarding requirements listed in Regulation 21 must be completed each and every year. If through sickness, injury or other involuntary circumstances, a Trainee Judge cannot fully satisfy the requirements of the Judges Training Program, the CJC may approve an extension of the time limit. Applications for such leave of absence must be submitted in writing immediately the pertinent circumstances arise.
12. The results of written examination papers are valid for life. The CJC reserves the right to use an alternative examination paper whenever it is deemed necessary.

Once they have received this formal written notification from the CCC(Q) Ltd Office they may then accept and sign contracts and judge Open Shows immediately, however the first judging appointment must include the candidate's complete primary group, and they must be assessed at that appointment. Each of these Groups must be judged three times Sarina and north before judging Groups South of Sarina.
20. Any First Time Applicant who fails the theory examination in their Primary Group must re-attend lectures and re-sit the written examination the following year. If the First Time Applicant fails the examination the third time, they will be removed from the Judges Training Program for a period of two years before reapplying.
- d. For Judges holding 6 Groups at Championship Level, Stewarding is optional. All Breeds Judges may Steward, Write or Show Manage (provided appropriately qualified).
- e. All Judges in the Judges Training Program must maintain and produce, upon request, an official CCC (Q) Ltd Stewards Card.
- f. The Judge's original completed stewarding card, (Judge to retain a copy), must be submitted to the CCC(Q) Ltd Office after 30th June and before 15th July together with a completed "Judges Training Profile" (the prescribed form is available from The CCC (Q) Ltd website). This documentation must accompany any application to attend lectures, or sit for any theory or practical examination. Note: Failure to comply with ALL aspects of Regulations 11 and 21 may result in removal from the Open Show Judging Panel.

Stewarding Requirements for all Judges in the Program

21. Starting 1st July and terminating 30th June each year, the following Stewarding requirements must be fulfilled each and every year, irrespective of whether the Trainee / Open Show Judge intends applying for a theory or practical exam. Note: NO dispensation to these stewarding requirements will be considered.
 - a. Judges with less than 3 Groups at Championship Level must complete a minimum of 12 Queensland appointments (at least 6 as a Ring Steward in All-Breeds Shows, with no more than 3 at Open Shows, or whole of group shows (e.g. Toy Dog Club Show), with no more than 3 at Open Shows. The remainder may be either Writing or Assembling, with no more than 3 of these at Open Shows. Judges who are resident in S.E. Qld must complete at least six (6) appointments within that area. Note: stewarding for 2 or more Groups at the same show on the same day is classified as ONE appointment.
 - b. Judges licensed in 3, 4 or 5 Groups at Championship Level will complete a minimum of 6 Queensland appointments (at least three as a Ring Steward at All-Breeds Champ Shows, or whole of group shows (e.g. Toy Dog Club Show), The others may be either Writing or Assembling at Champ Shows. Judges who are resident in S.E. Qld must complete at least six (6) appointments within that area.
Note: stewarding for 2 or more Groups at the same show on the same day is classified as ONE appointment.
 - c. The stewarding requirements are to ensure that candidates not only provide valuable assistance with the operation of shows but also, and more importantly, enable them to observe the judging of Breeds in complete Groups. Consequently the function of Show Manager does not qualify for the aforementioned requirements. It should also be noted that Assembly Stewarding at a Royal Show in Queensland is classified as an "Assembly Steward" not as a "Ring Steward".

Theory Examinations

22. Each year, a Trainee must attend all breed lectures* and sit for a written paper for that Group (the application to attend lectures is to be submitted before 15th July using the prescribed form available from the CCC(Q) Ltd website). Trainees may only apply for 1 group in any year (October to July); split groups (i.e. part A for 1 group and part B for a different group) are not allowed. A Trainee may miss a maximum of 2 lectures, 1 prior to the Part A exam and 1 prior to the Part B exam. If a trainee misses more than this without special written dispensation from the CJC, the trainee will not be eligible to sit for the written examinations. This must be applied for within 14 days of the missed lecture. Any missed lecture requires a 1000 word essay # on the Breeds covered at the lecture and is to be submitted within 14 days of the lecture. Essays are to contain a history and description of the breed, its purpose and all relevant requirements contained in the Breed Standard and are to be illustrated with pictures/drawings. On passing both theory exams (with an overall average of 75% or better), they may apply for a Practical (Hands On) examination in that Group (if sufficient numbers of dogs Judged; see regulation 26) and may apply to attend lectures for an additional Open Show Group. Applications for the practical exam on the prescribed form (available from the CCC (Q) Ltd website) are required NO LATER THAN 15th JULY.

* When no lecture and/or no dogs of a Breed are present at a scheduled Breed lecture, Trainees who attend will be required to complete an essay as per the above format. Failure to submit the essays within 14 days of the lecture will render the Trainee ineligible to take an examination until the missed Breed lectures are attended. A trainee must be present for and participate in the entire lecture in order to be credited with attendance.
23. All Trainee Judges who are considered by the CJC to reside a distance from the normal venue for lectures that would pose a travelling risk, are to study through 'Distance Education'. i.e. All trainee judges not attending lectures held at Durack will study by Distance Education. The Distance Education curriculum is available on the Dogs Qld website under "Judges Training Documents". Candidates should check regularly for any amendments. Metropolitan trainees may, in special circumstances, be allowed to study by Distance Education. They must apply in writing to the CCC (Q) office, giving their reasons, by the 15th July.

- 24. a. Trainees must maintain and produce, upon request, an official CCC (Q) Ltd Open Show Judges Card. This card will be a record of all Open Show Judging appointments and the number of dogs judged. Responsibility of maintaining these records resides solely with the Trainee who is also recommended to maintain a duplicate copy in a secure place.
 - b. Trainees must maintain an Assessment Card. This card is to be signed by 2 different Accredited Championship Judges who have assessed the Trainee while judging each group on different appointments. One of these assessments must be the first time they judge each group. The assessor must have held a Championship licence for the group they are assessing for a minimum of 5 years. A minimum of two assessments per group are required before applying for the practical examination. The candidate is responsible to ensure the assessments are done and recorded. Open Show Assessment forms are available on the CCC (Q) Ltd website.
 - While assessments are not compulsory after a Trainee has acquired four Championship Groups, the CJC reserves the right to further assess any Trainee at any appointment.
 - c. The Group Training Coordinators will maintain attendance at all Breed lectures and liaise with the CJC regarding records at progress of candidates. Copies of these records are to be supplied to the CCC (Q) Ltd office.
- 25. a. All candidates, State-wide, will take the first Theory Examination on the last Tuesday in February. A pass mark of 75% is required.
 - b. All candidates state-wide will take the second Theory Examination on the first Thursday in July. A pass mark of 75% is required.
 - c. Should a candidate fall short of 75% in either paper, then an average will be taken on the two papers. A pass mark of 75% is required.
 - d. Should a candidate not achieve an overall average of 75% or better, any exam failed must be re-sat in the next session for that part of the Group. Trainees may only apply for exams in one group in any year (October to July); split Groups (i.e. part A for one group and part B for a different group) are not allowed.
 - e. The examination questions will be taken from the current ANKC Breed Standards.
 - f. Each candidate will sign a master sheet, acknowledging receipt of a numbered paper. No assessor will know whose paper they mark.
 - g. NO deferred exams will be given for a candidate who is away for any reason. All dates and times for examinations are set well in advance and hence no excuse will be allowed. In extenuating circumstances such as enforced work commitments, a candidate may make an application to sit the exam at a different location on the same date; such applications will be considered by the CJC. Note: holidays and judging appointments are not extenuating circumstances.
 - h. Candidates who fail a theory examination may request a re-mark of their paper. This request must be made in writing, to the General Manager CCC (Q) Ltd within 14 days of receiving advice of the results of the examination. The re-marking will be done by three members of the CJC (none of whom marked the original paper), who will separately re-mark the paper without conferring. Those re-marking the paper will not know the candidate's name.
 - i. Once a candidate residing south of Sarina has successfully passed both parts A and B theory exam, they will receive a letter from CCC (Q) Ltd informing them of this and appointing them to the Open Show panel for

- 24. a. the relevant group. After receiving this written notification they may then sign contracts to judge this Group at Open Shows conducted after 1st January the following year.

Applications for Practical Examinations

- 26. a. Once a Trainee Judge has judged a minimum of 150 dogs at Open Show Group level and has attended 3 different Breed Specialties within that Group and has completed 5 written critiques on dogs examined at each event, (15 in total), they may apply to take their Practical Examination (1 Group per year) and are recommended to re-attend Breed lectures for that group. Note: You must attend the entire breed show or a minimum of 50 dogs at that show. Breeds with different varieties are counted as one breed. e.g. Poodles.

The critiques on the 15 dogs examined must be countersigned by an Accredited Judge for that Group present on the day. The CJC would prefer that this was done in conjunction with the Group co-coordinator. Trainers in remote areas who are unable to attend a Specialty in the Group are to submit 15 photos of 15 dogs accompanied by critiques on each of the dogs. These may be obtained from the internet or books. The candidate's original Assessment Card and Stewarding Card (Regulations 21 & 24b) must accompany the application (the candidate is to retain copies). This examination will take place for all eligible Trainees at Durack on the 34th or 35th weekend of each year; however the date may be varied and will be confirmed each year.

A Trainee Judge will only be permitted to elevate to Championship status in 1 Group per year. NB - Sweepstakes and General Specials numbers at Open Shows are not to be included (CJSC Sweepstakes may be included). Note: - dogs entered in multiple classes at any show can only be counted once.

- b. Application for the Practical Examination must be made on the prescribed form (available from the CCC (Q) Ltd website), completing all details. This form must be received NO LATER THAN 15th JULY in any year. Applications may be submitted "subject to passing the part B theory exam".
- c. Candidates must have judged the Group, for which application is made, at least four times for at least two different clubs. 2 specialty Breed shows each with an entry exceeding 20 dogs exhibited may be counted as 1 of the 4 Groups. It should be noted that candidates must judge at least 3 complete Groups.
- d. Any candidate who fails a practical examination, must judge another 25 exhibits in that group to be eligible for re-examination. This can be either a full Group or Specialty Show.
- e. "Mentoring" Open Show Trainees who are resident Sarina and north may participate in a "mentoring" scheme. Only Accredited Queensland Championship Judges may act as mentors. A Trainee may count dogs examined under the supervision of a Mentor Judge as part of their training. Under this system, Open Show Trainee Judges must judge a minimum of 100 dogs at Open Shows and examine a maximum of 100 dogs under the supervision of a Mentor Judge (a total of 200 dogs.) Any Trainee who participates must not exhibit under that Judge on that day.

- f. When a Judge obtains Championship status in a Group, for their first group, they must then judge at least 2 groups OR a minimum of 100 dogs (total) in Queensland before they can accept appointments in that Group interstate or overseas. The Judge is required to advise the CJC, (via the CCC (Q) Ltd Office), within two weeks of signing the contract as they may be assessed at these shows.
- g. When a Judge obtains Championship status in a Group they may apply for a further Group at Open Show status to bring them up to:-
 - (a) 4 Open Show Groups for candidates residing south of Sarina.
 - (b) 7 Open Show Groups for candidates residing Sarina and north; each of these Groups must be judged at least 3 times before signing contracts for Open Shows south of Sarina.

Practical Examination (Hands-On Exam)

- 27. All Assessors and Chairpersons will sign a confidentiality agreement to ensure the security of all decisions; and refrain from any communication outside of this agreement.
- 28. Each candidate and assessor will receive a score sheet. No markings will be made on these score sheets until the examination commences. A written explanation of the procedure will be given to the candidate prior to the examination day. Any candidate, who is unsure of the procedure on the day, has the right to ask for clarification from the Chairperson or any member of the CJC.
- 29. The examination will consist of two classes, each class of a different Breed and consisting of 5 or 6 dogs of either sex over the age of six months, and a third mixed class of 5 or 6 dogs of either sex over the age of 6 months, excluding the 2 Breeds previously used. The examination will include being assessed on "ring craft".
- 30. The examination will be conducted by 3 Judges appointed by the CCC (Q) Ltd. A fourth person, also appointed by the CCC (Q) Ltd, will act as Chairperson and Coordinator.
 - a. Both the candidate and examiners will examine the exhibits and determine placings 1 to 5. The examiner will examine the dogs first then the candidate will examine the dogs. These placings will be recorded on the score sheet and without communicating their decisions to any other candidate or examiner.
 - b. Each candidate will be interviewed by each examiner independently.
 - c. All questions pertaining to the Breed are expected to be answered. The candidate will only be examined on the exhibits in the respective class.
 - d. Questions may be taken from current ANKC Breed Standards and the Glossary of Terms.
 - e. Candidates will do their assessments allowing 2 minutes per exhibit.
 - f. The examiner will record on the score sheet comments relating to the candidate. This must be completed whether passing or failing a candidate.
 - g. At NO time will the examiners confer.
 - h. At NO time will the examiner discuss with any candidate, either on the day or when results have been notified, whether they have passed or failed the candidate. To do so is a breach of confidentiality.
 - i. All papers remain confidential and the property of the CCC (Q) Ltd.
- 31. A shortfall in the number of exhibits or examiners will not automatically invalidate an examination. Provided that the Candidate is given an explanation and that the Candidate agrees that the examination continue, the examination will not be declared null and void. No objections or protests because of these discrepancies will be considered thereafter. Should the candidate elect not to proceed with the examination, NO special examination will be arranged.
- 32. In order to obtain a pass, 2 of the 3 examiners must mark their papers with a PASS in EACH of the 3 classes.
 - 32a. Once a candidate receives formal written notification of passing the practical examination, they may accept and sign contracts for shows to be conducted after the 1st January the following year.

New Breeds

- 33. Where a Breed newly introduced into Australia or a Breed which has been transferred from one Group to another, and has been approved by the ANKC, all judges will be notified by the CCC (Q) Ltd. and advised of the relevant Breed Standard and any accompanying information.
- 34. Reserved.
- 35. Reserved.

 - h. the "Hands-On" examination at a date to be determined.
- 37. A practical Examination for a Single Breed Licence will consist of one class of 5 or 6 dogs over the age of 6 months, and 1 class of 5 or 6 bitches. In Breeds with more than 1 variety this rule may be modified to accommodate different varieties of the Breed.
- 38. Where an applicant fails a Single Breed Examination, they will not be required to obtain additional practical experience to be eligible to apply for another examination in the following year, providing he / she applies by the specified time, and providing it is the same Breed.

Regulations for Judges Training (Conformation) - as amended September 2014

Scheduled Breed Lectures are listed below. It is compulsory for Open Show candidates to attend all Breed Lectures and, although elevation candidates do not have to attend these lectures, it is in their best interest to do so.

The following provisional list of dates for metropolitan breed lectures for each group is contingent upon whether lectures for a particular group will be conducted in the 2014 / 2015 training season.

This decision is dependent upon the number of applications received for each group and will not be determined until August, and subsequently published in the October or November Dog World. If you require confirmation prior to this publication, please contact the relevant Group Coordinator.

Please note: Any trainee not attending the metropolitan lectures at Durack must complete the Distance Education Curriculum. This is available on the Dogs Queensland website under 'Committees - Judges Training Documents'.

Application for dispensation from any of the rules and regulations contained herein must be submitted in writing, giving reasons, to the Conformation Judges Committee, via the Office of Dogs Queensland for possible consideration. Should a lecture need to be re-scheduled for any reason whatsoever, this then will become the official lecture for that breed.

IN LOVING MEMORY

John (Skeeta) Ryan

1941 - 2014

It is difficult to sum up Skeeta's 46 years of dedication to the Dog World in just a few words. Skeeta was a man who wore 'many hats' and his knowledge was as diverse as the man himself.

He became a member of the Canine Control (Qld) in 1966 when he commenced Obedience training with his German Shepherd at Ipswich Dog Obedience Club. He continued his involvement with the Ipswich Club until 1972 when he moved to the UK for 2 years' service for the Army Air Wing. On his return to Queensland in 1974, Skeeta and his family made their home in Toowoomba where he joined the Toowoomba Dog Obedience Club. Later that same year he became an instructor, helping many people to handle their dogs and encouraging them to compete in Obedience competitions and some to become Judges of the sport.

His involvement with the Toowoomba Club was many fold. He was Vice President from 1977 until 1978 when he was elected President, a position he held until 1981. Skeeta was Senior Instructor from 1978 - 1980. He held a position on the committee for many years and, among many other things, he took on the responsibility of Property Manager. Whenever you visited the Toowoomba Club, Skeeta would be there to welcome you with a smile and on many occasions acting as Trial Manager. Always dedicated to the club, in 2005 Skeeta was made Patron of the Toowoomba Dog Obedience Club, a position of which he was very proud.

During his trialling years, Skeeta campaigned a variety of different breeds, including a GSD, Keeshond, and a number of Labradors which were his great love. He gained a UD title in 1978 with his Labrador Sveken Lindella. Following this, his heart was stolen by a Maltese. His experience with this wide variety of dogs was a great asset in his association within the Obedience fraternity. In 1977, Skeeta widened his commitment to the dog world when he commenced Obedience Judges' Training. He gained his Novice licence in 1978, Open in 1979, UD in 1981, UDX in 2008, and he was an Agility judge since the inception of Agility trials in January 1983 and Skeeta judged widely throughout Australia. Skeeta was involved in the Brisbane Royal Show Obedience either as a Judge or Steward every year since 1977 and he will be sorely missed.

Until his recent retirement, Skeeta was the longest serving member of the Queensland Dog Sports Committee (formerly Obedience, Tracking and Agility Sub-committee), his involvement beginning in 1982. Skeeta was also Chairperson of that committee for over 5 years. Skeeta became heavily involved in Judges' Training. He was a rules expert and his knowledge and dedication to the sport have been passed on to all who trained under him.

Skeeta was a member of the Complaints and Disputes/Breaches Panel since its inception and recently was a Councillor of Dogs Queensland for 9 years during which time he was a driving force behind the development of the new discipline of Rally Obedience. Skeeta was also a keen advocate for Dances with Dogs and Herding. Not only was he a Council representative on many non-conformation subcommittees but he also kept an interest in conformation as well. As a result, Skeeta had many friends right across the spectrum of disciplines covered by Dogs Queensland and through the ANKC across Australia. As a mark of appreciation for his outstanding commitment to the Dog World he was made a Life Member of Dogs Queensland, an honour of which he was very proud.

After reading this it might seem as though Skeeta did a lot. The reality is, this is just a small part of the man he was. Skeeta touched many peoples lives in many walks of life. He was a mentor to many, respected by his peers and loved by his friends. His nickname of 'Skeeta' was coined from his days of playing football within his army group where it is said he buzzed around behind the forward pack like a mosquito - and it can be said that he aptly maintained this title in his associations within the Dog World!

You will be missed, rest in peace Skeeta.

John Ryan, affectionately and respectfully referred to as Skeeta, was a much loved and respected man within the broader Australian society where he moved. He was a family man, a skilled soldier, a supremely qualified tradesman, an accomplished and persuasive leader and a mentor of and to so many. Skeeta was also a man with a highly developed social conscience who cared for his family and those with whom he interacted.

Australian Prestige

Skeeta served for more than 40 years in the Australian Regular Army and its Emergency Reserve from the 7th of January 1957 to the 28th of February 1997. He was a graduate of the Army Apprentices School; the SAS Cadre Course; and the UK's REME Training Centre.

As a Fitter & Turner and Aircraft Artificer, Skeeta rendered operational service in Borneo with the SASR and in Vietnam with 161 (Indep) Recce Flt. He also rendered defence service in Australia, TPNG, PNG, the Philippines and the United Kingdom. During those 40 years of Army life, Skeeta not only maintained the diverse fleet of fixed and rotary winged aircraft occupying the hangars and parking bays of military and civil airfields around Australia and abroad, but he also managed and maintained the careers of those who maintained and operated those aircraft.

Throughout his Army service and after his 1997 discharge, Skeeta served the Army family in many ways. During the early 1980s, Skeeta found time to establish with Len Avery a dynamic branch of the Army Apprentice's Association on the Darling Downs where so many ex-Appies worked and lived.

He also played a formative role, again with Len Avery and others, in establishing the 161 Reconnaissance Association the aim of which was to preserve the history of 11 Recce Flt's operational service in Vietnam and by extension some key elements of Australian Army Aviation's history at war, a history which at that time was solely in the hands of the 161 Recce Assn.

Skeeta was also one of the driving forces behind the establishment of a pension, advocacy and welfare service for the current and former serving members of the 161 Recce Flt and the 161 (Indep) Recce Flt and their dependants. Further more, Skeeta joined Legacy, during 1992, becoming a Legatee for life.

A Life of Tribute

Skeeta will be remembered as a soldier, a tradesman, a mentor, a leader, a diplomat and a teacher who cared for the Units, Corps and Army he served for so long and as a man who was always acutely aware of the need to satisfy the operational requirements of Army Aviation. Skeeta was a gentle, gentleman who cared for family, friends and colleagues.

IN LOVING MEMORY

Mary Ryder

1940 - 2014

Mary Jane Ryder (nee Young) was born in Brisbane on the 20th of January 1940 to Thomas and Amelia Young. She was the third youngest of 10. Mary spent her early years at Holmead Road, Wishart, where her parents had a small crop farm. She attended the Upper Mt Gravatt State School until 1949, when her parents moved to Reedy Creek.

It was here they had a dairy farm and a saw mill. Mary then attended the Burleigh Heads State School, until she was about 13 when she left to assist her mother and father in the dairy and saw mill. At 16 she started work at Renwick's Drapery. Mary made her debut when she was 17, and joined the PFA where she met her soul mate and future husband Edward (Eddy) Ryder.

After her marriage in 1958 she moved to Brisbane, it was here that two of her children were born, Michelle and Denise. In 1961 Mary travelled north, with her little family, to Gordonvale. It was here that her youngest Kerry was born. Eighteen months later they moved to Innisfail where she lived until 1978. During this time Mary played squash and tennis, both socially and in fixtures and also indoor bowls.

It was while in Innisfail the family took up showing and judging poultry and dogs. Her poultry of choice were bantam Wyandottes and Black Pekins. Mary started showing Welsh Corgi Pembrokes before moving onto Basenjis and Papillons. These were very successful hobbies for Mary, with her Wyandottes, Pekins and her beloved dogs winning most sections they were entered in.

Upon returning to Brisbane, Mary continued to show and judge dogs. She continued with stewarding and writing. When she had no dogs to show, until she could continue no longer. During the past thirty-five years Mary became involved with numerous dog clubs. To the extent that she was given life memberships in a few these being the CCC of Qld, Ladies Kennel Club, Toy Dog Club, Western Suburbs Kennel Club, Old English Sheepdog Club, Innisfail Kennel Club, and Rocklea Agricultural Society.

Other clubs she was also a member of included the Combined Canine Clubs, Beenleigh Kennel Club, Maree Kennel Club and the Cairns Kennel Club. She was very committed to the Western Suburbs Kennel Club, having run their June shows for a number of years, and the Old English Sheepdog Club. Even attending the Old English sheepdog show on Sunday the 13th of July 2014.

*She passed away on the 14th of the 7th, 2014
after a very full life.*

A Message from the Chairman

An Important Message

Qualifying letters have been continuously issued, by Sharon Munro, to all eligible exhibits throughout the preceding months. For all those exhibitors wishing to compete in the 2014 Puppy and Dog of the Year Finals, please note that the FINAL date for acceptance will be the 30th September. NO LATE ENTRIES will be accepted this year.

Last year was our first attempt at running the prestigious Puppy and Dog of the Year Finals. Taking on all the feedback that we received (both good and bad) we have re-jigged the event this year, to be bigger and better than the last! The following description is aimed at giving everyone a little insight into a number of the major changes that are occurring in 2014.

Firstly, it is important to outline the schedule for the weekend's activities. Please note that the Puppy of the Year Final will be held on Friday evening, so as to take full advantage of the cooler, Spring evening temperatures. The Open Show Spectacular will then be held early on the Saturday morning, followed by the Dog of the Year Final later that evening.

In 2014, the Dog of the Year Committee has been fortunate enough, through the generosity of some larger businesses, to gain a number of major sponsors. This year, our major sponsors are: **Shopping Lane, Frontline, Royal Canin, Queensland Veterinary Specialists** (formerly, West Chermside Veterinary Clinic) and **Petstock**.

I will be promoting these five wonderfully generous organisations in the coming months and at all of our events throughout the year. These organisations have been so supportive of our event, that we are proudly able to announce that **\$10,000 worth of prizes** will be handed out over the Friday and Saturday evenings. I therefore strongly encourage anyone from within our Dog World fraternity, who can give our sponsors patronage, to do so.

Furthermore, I extend a warm thank-you to Garry and Toshi who have once again agreed to donate our Judges' gifts for this year. Garry and Toshi attend Durack on most weekends and run the stall next to the Judge's Training Room, selling beautiful dog-related items.

Dinner and Catering

In 2013, the catering for the Saturday night dinner was well below the standard that we had hoped for. Many of those who supported us by attending the dinner were not happy with the quality of the food that was presented to them. I was also of the same opinion.

The catering company that we booked had come recommended to us from within our Dog World and so the Committee decided to go with them, sight unseen and food untested. That was a mistake. In 2014, the Dog of the Year Committee has organised professional chefs from within our Dog World to cater for this event. The Saturday dinner will therefore be organised by the Beagle Club of Queensland.

Dog of the Year

Queensland Dog World

The evening will again commence with canapés and champagne on arrival (see above times) and will be followed by a main meal and dessert of your choice (not an alternate drop like last year). The menu for this meal has also been printed for your reference in this month's Dog World magazine.

All people planning on attending the dinner will have a choice of what to eat and be required to tick the box for the meals they wish to eat, when purchasing their ticket; however, there will be no ability to change this request on the night. My guarantee is that the meals, this year, will be delicious!

The cost for the dinner is \$42.50. The cost for ringside seating only is \$25 (this will include an individual, lighter, snack-type meal and a non-alcoholic drink which can be collected from the canteen); however, for those wishing to purchase both a dinner ticket and outside seating, we have decided to give a **combination package for both, costing only \$55.**

Friday night's food for Puppy of the Year is \$20 for a ringside ticket which will include an individual snack-type meal and a non alcoholic drink with a dessert slice. A BBQ is also operating. A full bar will also be operating at the dinner, served from the internal access to the canteen. Wine, champagne, spirits and soft drinks will be on offer.

Finally, the Committee also asks that when booking your dinner tickets, please ensure that you specify whether you are part of a "Club Table" or whether there is anyone you wish to be seated next to as seat placings will be allocated prior to the evening. All dinner bookings are to be made out to our Secretary, Sharon Munro.

Dress and Attire

Last year, it was so pleasing to see all of the spectacular outfits (dresses, evening gowns, dinner suits etc) that were worn by those in attendance. I would like to thank everyone who really was prepared to get into the spirit of the occasion.

Similarly, in 2014, the dress standard for the **Dog of the Year Final** is again Formal wear (black tie) with Semi-formal attire (business suit) also being acceptable. This means that the event is **not smart casual**. Male patrons, exhibitors and onlookers are expected to wear at the minimum a suit or sports-jacket with tie. Female patrons are expected to wear a suitable evening dress and or show suit or cocktail dress.

The dress standard for the 2014 **Puppy of the Year Final** is semi-formal attire. It would be appreciated if male patrons, exhibitors and onlookers could wear a suit or sports-jacket with tie. It would also be appreciated if female patrons could wear suitable evening attire and or show suit.

Ring Setup

Similar to last year, the rings will be situated outside the Durack Function Room - occupying the space of our current Toy and Hound rings. **Two rings will operate simultaneously** with the Judge's names being drawn at random. If time permits, the two rings will then be combined into one much larger ring in the later rounds.

Long marquees will be set up along one whole side of the rings. **Seating under these marquees is \$25 per person (if not attending the dinner)** - see above description. Please note that payment for ringside seating is separate from the dinner payment (unless patrons opt for the combination package), Friday night's food for Puppy of the Year is \$20.

Again, when booking your ringside seats, can you make sure to specify what booking name it is for and how many people at your table. If you are not part of a specific group, you will be assigned to a table, at random. Table staff will also be around throughout the evening (to your tables) to take any drink orders that you may have. Dinner and Ringside tickets will be sold from the 1st to the 30th of September only. One catalogue covers both Finals.

Judges

The Judges for this year's event come from **Canada, Croatia, India, Guatemala, South Africa and Thailand**. For many of our Judges it is their first time to Queensland and, for some, Australia.

Sunday All Breeds Show

Firstly, **any exhibit is eligible to compete at this Show** - regardless of whether or not they have competed on the Friday or Saturday nights. As the Judges for this event will be presiding over the Puppy and Dog of the Year Finals, the names of these Judges will not be known until they are revealed on that day. However, the Committee is pleased to announce that All Groups this year will have a **World-renowned, International Group Specialist** judging them on the Sunday.

There will be no Australian or New Zealand Judges on the panel. In other words, there will be 7 different International Judges each judging their own group at this Sunday Show. The schedule can be found in the Queensland Dog World. I hope this covers any questions or concerns that people may have at this stage.

Yours Sincerely,

Timothy Thomas

Inaugural State Dances with Dogs Competition and Workshop with UK Judge's

September is a busy month for Dances with Dogs enthusiasts.

On the 13th and 14th of September, a double competition is being held at Mango Hill, with judges Carole and Michelle Dodson from the UK and Deb Hyde from Western Australia.

Carole and Michelle are both highly successful trainers in Obedience, Rally-O and Dancing with Dogs as well as competitors (having competed and judged at Crufts). Carole has also won both the Heelwork to Music and Freestyle sections at Crufts. Deb Hyde is also a very successful obedience judge, trainer and competitor, as well as Dances with Dogs; her dog Brooklyn has won the Dogs West Obedience Dog of the Year for several years in succession.

On the following Monday and Tuesday, (15th and 16th of September), Carole and Michelle will be conducting a workshop for the Club, at the Mt Gravatt showgrounds.

They will cover topics such as focus and engagement, building duration in training and for competition, Heelwork to Music positions, freestyle moves and transitions, choreography and musicality, competing, and the psychology of judging. The workshop will provide content for handlers and dogs at all levels, from complete beginners to experienced handlers and dogs.

Private lessons will be held on the 17th of September and then Carole and Michelle jet off to Tokyo where they will be conducting another workshop.

Participants for the workshop are coming from as far away as Sydney. Further information is available from the Dances with Dogs Club at dwdcq@live.com.au

Grand Champion Sudanka Dream Machine 'Sonny'

Tribute by Angela Brown

In loving memory of 'Sonny' 3/6/1998 - 15/7/2014

Today it is with a heavy heart I write this vale for Sonny.

From the time he entered the show ring at 3 months we knew he was something special.

He had a wonderful show career with 16 Best In Group wins at Championship Shows and the majority of these at Durack. Three Best in Show wins at Durack at Championship Shows and multiple Best in Group and Show wins at Open Shows. Best of Breed winner at the 2002 and 2003 Brisbane Royal.

Upon retirement at age 7, he still enjoyed participating at Veteran level and won numerous Veteran in Shows - his last being at the Beaudesert Kennel Club in 2012 at age 14 and a half. It was then decided he would leave the show ring the last time as he deserved - a winner.

He was shown all of his career by Dorothy Oestreich, and what a formidable team they made. I had the privilege of taking over in his twilight years in veteran.

Ironically Sonny passed away on Dorothy's Birthday - a date he has made sure we never forget.

Goodbye my wonderful old man.

The Clumber Spaniel

The Clumber Spaniel was developed by the Dukes of Newcastle and their gamekeepers, primarily the Mansell family. The breed takes its modern name from the Duke of Newcastle's Nottingham country estate of Clumber Park, which is now a National Trust property and lies in the north of the famous Sherwood Forest.

The Clumber was developed to support the Dukes and gamekeepers in hunting this and nearby estates which were usually covered in heavy timber and very heavy undergrowth littered with fallen branches and limbs. The white coat ensured he could be seen in most scrub, his build ensured he could penetrate into the depths of that scrub and flush game hiding there or even retrieve shot game.

Average size, weight and Lifespan

Dogs: 50cm (20 inches) in height at shoulder

Bitches: 45cm (18 inches) in height at shoulder

Weight: 25 - 36 kg

Lifespan: 10 to 16 years of age (approx)

Breed personality / Characteristics / Temperament:

They have a deep seated desire to please their owner and the owner's family but cannot take the rigours of being forced trained or regimentally drilled; they need the opportunity and time to observe and assimilate how other dogs perform for their owners and will mimic this behaviour.

This heritage of working in the field is translated into a little independence, particularly when tracking, but they soon check their owner's whereabouts and will look to them for advice if the trail is clouded or lost.

Care Requirements:

The Clumber Spaniel is one of the most low maintenance of the spaniel family. From about ten months of age they will need their feet trimmed every two months.

From about twelve months of age the feathering under the ear hole and from the wrist to the foot on the front legs and from the hock to foot on the hind legs will also need to be trimmed every two months.

Clumber Spaniel 'Maggie' - Image attribution to Tracey Garvey

Ideal Owners:

The Clumber is ideal for those with a little empathy with dogs, alert to a dog's body language and general health requirements, and essentially compassionate.

The ideal owner will make sure the Clumber is exercised twice daily, groomed weekly, trimmed every eight weeks - whether the owner is tired or ill or in the peak of health themselves. The ideal home will have a reasonably sized grassed backyard, with a smaller day yard set within the boundary. Parks or good walks will virtually be on the home's doorsteps; and be inviting and interesting to the dog and to the owner.

The Clumber has no problems adapting to being a house dog, but his health is best served if he can spend the days in a small outdoors yard (with appropriate bedding and shelter) and have a good romp through the whole garden under supervision.

In Conclusion:

Now you know a little about the Clumber Spaniel and have decided this is the dog for you, or you want more information, contact the breed club or Dogs Queensland.

They will be able to give you information about available puppies and also suggest dog shows where you can see the breed and speak to breeders.

The Shih Tzu

The ancestry of the Shih Tzu is rather obscure, but it is probable that the breed is primarily of Tibetan origin. The history of the Tibetan 'Lion Dogs' is interwoven with the tenets of Buddhism, which originated in India.

The existence of the Shih Tzu as we know it today is owed to the Dowager Empress Cixi (Tzu His) whose kennel of Pugs, Pekingese, and Shih Tzu was world renowned. The Shih Tzu came to Australia in 1954 with three dogs imported by Tony and Soo Dobson (NSW) and then spread to other States.

Average size, weight and Lifespan

Dogs:	Maximum of 27.7cm (10.5 inches) in height
Bitches:	Maximum of 27.7cm (10.5 inches) in height
Weight:	4.5 - 8.1 kg
Lifespan:	10 to 16 years of age (approx)

Breed personality / Characteristics / Temperament:

The super smart Shih Tzu loves to learn new things and takes well to obedience training. Although lively and alert, the breed is not highly strung.

Happy little dogs, they enjoy playing with their owners or are content to amuse themselves when necessary. Friendly and independent, the Shih Tzu is intelligent, active and alert.

Shih Tzus love to be taken for walks, but if this is not possible, they will self-exercise, chasing over and under furniture and around the house and yard. They also enjoy riding in the car with you, although not in hot weather.

Ideal Owners:

Almost everyone. Every dog has a reason for being: the Shih Tzu's is strictly to give love. They don't hunt, pull, track or attack - they just love to be with you.

Compatibility with other pets:

Excellent. Due to its friendly nature, the Shih Tzu tends to interact well with other dogs and with children and adults.

Care Requirements:

Shih Tzus are house dogs and love access to a securely fenced garden; however, if you live in a flat or unit, they are content to be walked daily on a lead (which is good for your health as well as theirs).

A weekly bath to keep your dog's coat and skin clean needs to be followed by a blow dry to ensure that it doesn't catch chill. Before a bath, any mats or tangles need to be gently brushed and combed out.

Faces should be cleaned daily. If you don't want to keep a Shih Tzu's coat long, you can trim it short or take your dog to a groomer to be shaped in the latest style.

In Conclusion:

Now you know a little about the Shih Tzu and have decided this is the dog for you, or you want more information, contact the breed club or Dogs Queensland.

They will be able to give you information about available puppies and also suggest dog shows where you can see the breed and speak to breeders.

Our Library picks this month cover both the **Clumber Spaniel** and the **Shih Tzu**.

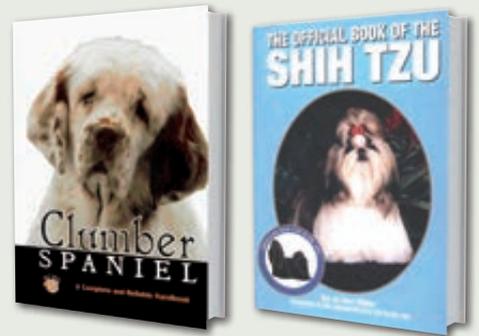

In checking our Library shelves for books on September featured breeds, I was quite amazed at how many varied books we have available on the Shih Tzu but only the one on the Clumber Spaniel.

Although not too many of either of these breeds are exhibited here in Queensland, I am sure the books that we hold must be of great interest to all trainee Judges.

The first book is titled (quite simply) **'Clumber Spaniel'** and sub titled **'A Complete and Reliable Handbook'**. The authors are Mr & Mrs Wilton Meyer and it is published by TFH. It contains over 75 beautiful colour photos as well as being a reliable resource on breed history and characteristics etc.

The Library also has an array of books on the **Shih Tzu** and I have selected one which is titled **'The Official Book of the Shih Tzu'** by Jo Ann White and endorsed by the American Shih Tzu Club Inc. I chose this one from the shelf as it stands out as being the book that contains everything you would need to know about the Shih Tzu.

Library Times

I am endeavouring to open the Library as much as possible during Shows. However this is not always possible with the limited resources available. If you feel you would like to be part of the Library and Archives Committee, please contact me or see me at a show as I would love to hear from you.

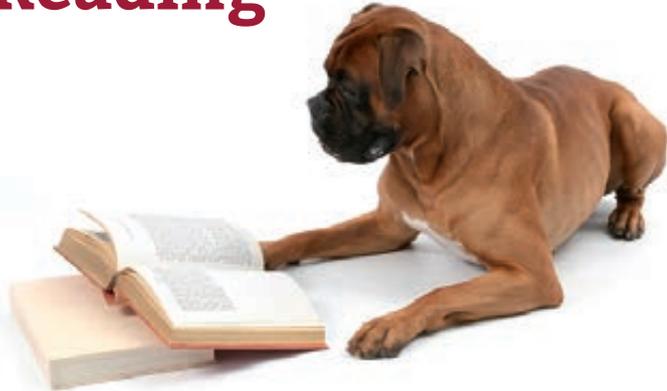

I am always willing to open the Library at various times to suit any trainee Judges who would like to borrow books. This can always be arranged. The Library is located at the rear of the Club House next to the meeting rooms and Board Room. Recent visitors have remarked on the quality and quantity of the books we have. But it is not only books, we have catalogues for royal shows, magazines galore, DVDs and videos.

Please come and visit, you would be most welcome!

Helen Acworth
Chairperson

For the *love* of Reading

The Canine Control Council (Queensland) Ltd Library opened officially on the 25th of July, 1997. The idea first formulated in 1996 and has now grown into an excellent library and resource centre for which members of Dogs Queensland should be proud.

The Library commenced with an empty room, some people with good ideas and an influx of donated books. Many hours were spent by members of the original CCC(Q) Library and Archives Sub Committee sorting boxes and boxes of books, covering, "Bar Coding", and cataloguing. Funds were raised for the purchase of library shelving a computer and photocopier.

Having the Library opened to members was the main goal with the Library being available to members on show days for an hour or so. The next step was to make all books available for borrowing (this was achieved giving members a wider access to books). So much work went into the original setting up of this Library. The results of that work is reflected by the excellent facility we now have.

The Present

The Library currently has 1200 breed books, as well as over 500 books on general dog care and training, all of which are on the 'borrowing' list. Adding this number of books to the vast assortment of magazines, newspapers and journals, this Library carries a tremendous amount of 'dog' information that must be invaluable to all dog lovers.

Donations of magazine (both Australian and overseas) were received and these can be referenced at any time along with Catalogues from most Royal Shows (some but not all include markings). In conjunction with the breed featured in the Dog World Magazine, we are now placing an article every month

advising what books are in the Library relevant to that breed.

Future notices in the Dog World will hopefully encourage more library use. New addition to the Library is what we have called the 'Memorabilia' cabinet.

We will be making this available to any member who has breed memorabilia (statutes etc not trophies) that they would like to have on display. These may also be offered for sale at a later date.

The Future

The Library is currently situated at the rear of the Clubhouse next to the Board Room and Meeting rooms. This is not the ideal place for this Library to be.

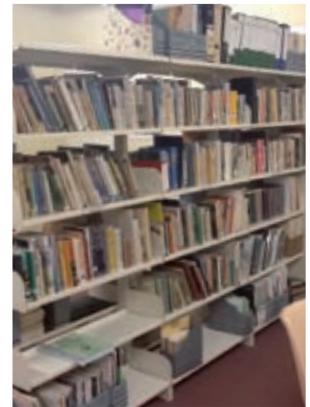

Over the past 16 years since the Library opened, a lot of fund raising events have taken place with the aim to accumulate funds toward to the relocation of the library to a more user friendly position within the Durack complex.

With current plans to upgrade some areas, it is very much the aim of the current Committee to have the relocation of the Library part of the future development of Durack.

Actually it is the most important issue if this library is to be used as a resource facility for all members. Funds raised for this specific purpose and now invested with the CCC(Q) Ltd would be allocated for refurbishment of new library building which is part of the forward plan for this Library Committee.

We have on the Committee a Liaison Officer. Her position is to encourage the use of the Library by all Trainee Judges and maybe have this incorporated as part of the training programme.

We will continue to look for new ideas to promote the use of the Library. We are mindful to listen to members views and suggestions.

The Story of *Three Special* **Clumber Spaniels**

Dogs Queensland Exclusive 

Written by Tracey Garvey

traceygarvey@gmail.com
Noosa Queensland

I am extremely privileged to own three very special Delta Society of Australia Therapy Dogs.

They are Clumber Spaniels, a very rare breed of Gundog. There are about 300 in Australia. A long, low to ground white dog, Clumber Spaniels are the heaviest of the Spaniel breeds weighing about 30kgs. They were bred to flush game from thick undergrowth on English estates.

I obtained Windsor from Canada in 2001, Maggie from South Africa in 2004 and their daughter Pebbles born in 2008 was home-bred. All three Clumbers are Show Champions (Windsor and Maggie are USA and Canadian Champions too).

I have been a Delta Society volunteer since 2004 subsequent to a family member being a patient in a Hospice (hospital for the dying). There I saw at first hand the magnificent work of therapy dogs. I did not know then that dogs were involved in hospitals and therapy work, even though I come from a paramedical background and had spent 30 years working in the hospital environment as a Clinical Biochemist.

At that time in Windsor I had a dog with the most amazing temperament so I thought if Windsor could become a Therapy Dog, this could be one way to 'pay back' for the caring, support, compassion and joy the dogs brought to our family in our time of bereavement. I was thrilled when Windsor passed his Delta assessment and was told that he had that special, affectionate temperament necessary to work with children.

So began our nine year association with The Sydney Children's Hospital at Randwick. Rounds include all major wards including the Outpatient Department, Fracture Clinic, Intensive Care and the Sleep Clinic. When Windsor retired in 2008, Maggie took over and now Pebbles has taken on her duties since Maggie's retirement in 2011.

When we encounter patients and parents in hospital, their first reaction is usually one of amazement that a dog is allowed in a hospital. Most reactions are very positive. You get to learn very quickly when to 'back off' if people are unsure.

Most want to know what breed they are and what are its origins, because a Clumber spaniel is a very rare dog in Australia. This is a good response because these questions (mainly from the parents and staff) put the children at ease when they see adults around them reacting positively to the dogs.

Windsor was a round ball obsessed dog. He was besotted with his tennis ball and revelled in fetching them. Windsor discovered that the children who walk around the Wards (ambulant with a drip infusion in one arm) are a good prospect for a game of fetch due to their mobility.

Windsor used to rush over to them, drop his ball from his mouth at their feet, back off a little and drop to the ground while giving the children the 'eye' as if to say, 'Please play with me'. The child rolls the ball along the ground. They never throw it.

Windsor scampers after the ball, brings it back to the child, drops the ball then nudges the ball towards the feet of the child with his nose. This is the funniest thing to see. Then we start all over again. At this stage we usually have an audience and every patient wants to have their turn.

I enjoy watching my Clumbers 'work'. It is always amazing to see that dogs have a real sense of empathy with sick people, especially children. I love seeing the expressions of joy on everyone's faces when they first catch sight of these big white dogs with their unique wrinkled brows and furrowed eyes.

If I had a dollar for every 'what sort of a dog is he' question then I would make the Delta Society very rich.

'Most want to know what breed they are and what are its origins, because a Clumber Spaniel is a very rare dog in Australia'

I think the Delta Dogs make everyone forget their own troubles for a brief time. They make the sick children laugh and smile and remember the dogs they have at home or those they used to have. While the children love to pat the Clumbers, climb on them or play ball, the parents and staff ask questions about the breed and the role of The Delta Society in Pet Partner programs.

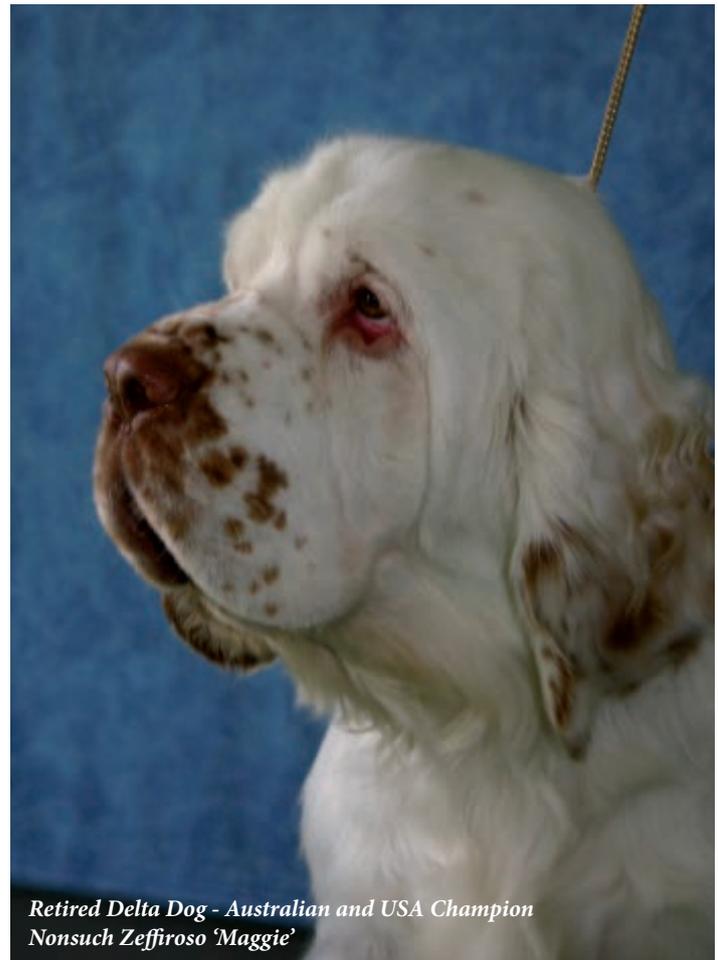

It is extremely rewarding when you meet someone who eventually becomes a Delta Volunteer because of your introduction to the programme. I receive masses of positive feedback. Many Staff and patients really look forward to 'Doggie Day' as the highlight of their week.

All the Clumbers know when it's 'show' time. I put on their special collar and Delta bandanna before jumping into the car and heading to the hospital. The dogs 'lead me' from the car park to our meeting area instinctively and are so happy to see the other team members, both 2 and 4 legged.

All the dogs look forward to seeing 'Bill', a volunteer at the reception desk, who is always on hand to feed them a few liver treats before we go on Rounds.

This provides positive re-enforcement for the dogs and a good start to the afternoon. All the dogs revel in the attention, pats and true affection given by the joyful patients, parents and staff.

The Clumbers love to show off their obedience 'tricks', like shaking

Retired Delta Dog - Australian and USA Champion Nonsuch Zeffiroso 'Maggie'

their paws, rolling over and 'speaking' on command which they have learned to do quietly so as not to scare the children.

I am in awe of the way in which the Clumbers respond to those patients in wheel chairs. The dogs seem to sense the children who want to pat them but find it difficult. They approach the children slowly and nuzzle in their hand and turn their whole body around so that the child can more easily pat them.

The dogs are taught not to lick and to stand still when being patted. All the same, I marvel at their compassion. It is an engaging sight to behold.

It is very rewarding to be a volunteer for The Delta Society and to give something back to the community. I am honoured that my dogs can be a part of this generous charitable programme, making our small contribution personally enjoyable and fulfilling our desire to make a contribution to society.

The Making of Champions Queensland Junior Handler State Final 2014

By the time this article goes to press, the Queensland State final will be run and won. So far, it seems there are large amounts of handlers who are entering the final, and the day looks set to be an amazing one.

This year is the first that it has been moved to Durack, to avoid the problems that were caused at the Ekka. The move to Durack means that the handlers can begin at 9:30, not be rushed through and will have a bigger, more appropriate ring for the exercises.

In preparation for the State Final, the NQ Junior Handler Club ran their annual Mid Year Event. This event is designed to encourage participation but also to allow the handlers in NQ to refine their competition skills, prepare for the State Final by experiencing swap dogs and to develop their skills in dealing with a finals type atmosphere. The NQ Junior Handler Club committee is made up of only 3 committee members who all work exceptionally hard to ensure the night is one that the kids can remember, and an experience which they can learn from.

There were 14 handlers who participated on the night, and judge Mrs Nadia Attridge ensured that she recorded feedback for the handlers that she can provide them with the following day. The NQ Junior Handler Club were so very pleased that Mrs Attridge agreed to fly to Cairns for the event, especially as she had previously judged the NZ International Final to select the handler to represent NZ at the Crufts World Final.

Her knowledge as a Junior Handler judge was well and truly beneficial to the handlers in North Queensland.

The night was once again catered by Kerry Frame and her band of helpers, a small but fantastic crew who must have peeled a gazillion potatoes! Huge thanks to those for taking the time to support the NQ Handler club, whether it be to come and watch, peeling vegetables, or helping serve on the night.

Special thanks to those people who leant us handler dogs, I was so pleased to be able to provide a swap dog for every single child who entered the competition. The opportunity to have a swap dog certainly helps develop them as handlers.

Competition Heats up

The under 10s were well represented, and the eventual winner went to Master Braithan Kuhn, who handled a Kelpie in the first round, moving to a Pomeranian in the second round. Second place went to Emily Bulow, and third to Grace Wilson. The encouragement award was presented to Lauren Meier, who although she had a broken arm, certainly looked the part and did a great job.

In the under 13, reigning champ Georgia Howes placed first with a Kerry Blue Terrier, receiving a Cocker Spaniel as a swap dog. Madison Mason with a Toy Poodle, who hasn't been handling very long impressed the judge with her handling and genuine smile and placed second. Third was presented to Montanna Field, with the encouragement award going to Gemma Bulow.

The under 18 was by far the class to watch, with the largest entry and also tight competition. First place was won by Emily Puglisi, with a Hungarian Vizsla and a staffy as her swap dog. Second place was awarded to Amie Bond with a Border Collie, and a Fox Terrier as her swap dog.

Amie especially impressed the judge with her soft hands and manner with the working dog, this was a special win for Amie as she had originally decided not to enter the competition, but was thankfully encouraged to enter and did very well. Third was presented to Brooke Reading, who handled an Afghan Hound and then was assigned a Lhasa as her swap dog.

The winners of each age group also then entered the ring to find the Overall winner. Emily Puglisi and her dog 'Cuda' was presented with First overall, allowing Amie Bond to re-enter the ring to be awarded Second overall. Braithan Kuhn, one of the youngest competitors on the night, then was awarded Third overall!

The NQ handler club also organised Miss Melaine Attridge to travel to Cairns to work with the handlers one on one prior to and after the competition. This allowed the handlers to polish their skills, receive feedback from a different perspective, a fantastic junior handler who has trained handlers who have gone on to win at prestigious events.

Melaine was very busy the day of the competition, running sessions designed to specially target the weaknesses of the handlers she was working with.

The handlers were very appreciative of the time Melaine spent with them, and Melaine was invited to judge the 'Most Improved' award for the weekend. The prize was donated by Heidi Duacik and was presented to a very deserving Grace Wilson!

Junior interviews & insights

This month we have interviews from Georgia Leslie, Bianca Hickey and Elliott Hickey. If you would like to be included in the column for next month, please email me at supremecy@bigpond.com

Name: Georgia Leslie

Breeds commonly handled:

American Cockers, Pomeranians, Border Collies, Japanese Spitz, OES & Keeshonds

Q: Your 'heart' dog?

A: My Border Collie "Mea".

Q: Breed you want when you grow up:

A: American Cockers & Pomeranians.

Q: Best lesson you have learnt from handling dogs?

A: To be kind. Dogs respond much better if you are kind to them rather than force them in to do something they don't want to do.

Q: Show Idols?

A: I don't really have any show "idols" but two special people to me are Robert 'Bundy' Schnaars (because he makes me laugh!) and Teresa Bailey because she gave me my beautiful Mea.

Q: Real life idols?

A: John Green (author of The Fault in Our Stars).

Q: What's the hardest thing about competing in junior handlers?

A: Judges interpreting the rules differently, one week you get penalised for doing something that you thought was right, the next week you change it like you were told and that week's judge than says you have done the exercise wrong! It is very confusing for us handlers.

Q: The best thing?

A: The wonderful and generous owners that allow all of us junior handlers to take their dogs in week after week even if they have to go back in for specials later that day.

Dog World Update for September 2014

After what has been a rather chilly winter, spring is now almost upon us and it's getting a little easier to get up early in the morning.

With the EKKA over for another year as a major event in August, the schedule of shows and other events is starting to ramp up. There are still some major events coming up toward the end of the year so there is still plenty of activity for members to look forward to in what has become a very busy annual schedule.

Submissions please!

We really want to get as much information as possible about our zone into the column from all the disciplines. To date, virtually nothing has been contributed unless I've prised it out of people or seen it on Facebook and followed up. Please send your submissions to me at craig.pettett1@bigpond.com I would really welcome some contributions from the other disciplines to provide an overall picture of the happenings in the Zone 2 Dog World.

If you have any pictures, ideas, topics or events that you would like to have reported, please contact me as the purpose of the column is to disseminate information about our zone.

Strategic Planning Workshops - Stage 2

Earlier this year members across Queensland had the opportunity to participate in discussions about the future of Dogs Queensland and the things we would like to work on, improve and introduce to achieve our objectives.

Throughout July and August the second round of workshops were presented to members across the state. Due to the lead time for the column, at the time of writing the workshops had not yet occurred but I'm hoping lots of members got involved. The workshops were presented in Cairns, Townsville, Mackay, Rockhampton, Maryborough, Durack, Caboolture, Nanango and Toowoomba.

It is very important for the members to guide the Board in relation to the outcomes and objectives that are priorities to assist the Board in sponsoring the work to bring these about. We all have a responsibility to get involved with the planning process.

CQ Toy Dog Club Championship and Open Shows 5th of July 2014

Big congratulations to the committee of the CQ Toy Dog Club for putting on a wonderful championship and open show for Toy

Dogs in conjunction with the Callide Valley Canine Club's Charity Fundraiser Show.

This gave Group 1 exhibitors the opportunity to participate in three Championship shows and one Open show over the weekend which is a pretty hectic schedule but lots of fun. The hard working committee of the CQ Toy Dog Club invested a lot of their time and effort to put on a Group 1 specialty event with an international judge, Mr P Wong (Thailand), for the Lily Taylor Memorial Show and Mrs Nadia Attridge officiating at the Open Show.

Exhibitors and all involved had a wonderful day and the timing was just right as the light faded away just as the last classes in show for the Open Show were completed. Huge thanks to the workers who made the event possible especially Josh Toohey and Gay McNeill who stewarded for the shows - your efforts and hard work were very much appreciated by all involved.

Callide Valley Canine Club Inc Charity Fundraiser Shows 5th and 6th of July 2014

After the success of the previous year's charity fundraiser for the Cancer Council Qld, the Callide Valley Canine Club again presented charity fundraiser shows in 2014. The weather was absolutely magical and partnered with the CQ Toy Dog Club championship and open shows this was a busy yet enjoyable weekend.

The club was very grateful for the continued sponsorship of Joyce Mayne Rockhampton who enabled the club to present a trophy table for the weekend with a value in excess of \$3,000. Big thanks to the judges Mr Don Mahoney and Mr Guy Spagnolo for their support of the shows, all the workers, stewards and writers who made the shows possible.

At the time of writing the club was yet to announce the recipient of the donation from the fundraiser shows - I will report this when it is available.

Fatigue and Hazard Management

With many regional exhibitors travelling long distances to attend shows and having many early starts and late trips home, we need to be mindful of managing fatigue and keeping aware of hazards which could potentially impact our safety.

While travelling and supporting shows and events is great, please make sure you're thinking of your safety by having sufficient rest to be able to travel and keep aware of hazards that may be around us, and take rest stops wherever you need to. Nothing is so important that we shouldn't consider our safety and the safety of others as the first priority.

Zone 2 Showcase

Queensland Dog World

Workers Needed

Don't forget to keep an eye out for any training sessions in the Zone 2 area for Show Managers, Stewards and Writers. Clubs are desperate for workers and the saying 'many hands make light work' is so true as the more workers we have, the more the load can be spread around.

We have many members who work tirelessly at shows on top of showing their dogs and barely get a moment to have a break and clubs are super grateful for this. The shows really cannot happen unless we have people who are willing to work and help out. Keep an eye on communications from Dogs Queensland or your local club for more information (many clubs now have Facebook pages where a lot of valuable information is communicated).

Upcoming Events

Don't forget that the Dog of the Year/Puppy of the Year finals are coming up on the 24th of October (Puppy) and 25th of October (Dog). A few deadlines that members need to be aware of is that the qualifying period is between 1st of September 2013 and 31st of August 2014 and if you have qualified, the final date to submit your entries for cataloguing is prior to the 28th of September 2014. Zone 2 dogs did very well in this competition last year and it is a gala event, so if you have qualified it's definitely worth investigating in participating.

The Callide Classic competition for Zone 2 is back in 2014 and will be conducted on Saturday the 18th of October 2014. The qualifying period is from the 1st of October 2013 to the 30th of September 2014.

Until next time, Craig.

Howdy North Queenslanders, haven't we had a busy couple of months?

To keep you all in the loop here is a quick run down of the latest news and information concerning our zone.

Future Planing

Strategic Planning Consultation meetings were held in both Cairns and Townsville during May. Like many, I was unsure of exactly what the purpose of these meetings were, and how we as members were going to be asked to contribute to the 'Strategic Plan' for Dogs Queensland.

Howard Nielsen, appointed co-ordinator for this committee, was very clear in his explanation of the process and how it was going to work from the idea process right through to prioritising these ideas into possible future implementation plans. Many had the chance to put forward ideas & thoughts – some of which brought to light areas of interest which had not previously been touched on.

The lists of ideas 'to Keep' and 'to Change' have now been posted on the Dogs Queensland website on the Strategic Planning Documents page – certainly a plethora of ideas for us all to consider. Dates for Round 2 of the Consultation Process have been released and are also listed on the Dogs Queensland website and I look forward to the next meetings within our Zone planned for 19 & 20 August 2014.

Our Zone 3 Agricultural Show season kicked off at the end of June in Townsville. An international panel of judges certainly helped with record entries in our area, with over 290 entries for each show. Compliments have to go to the Townsville Kennel Association for extremely well run shows – and considering the larger than normal entry list even those who travelled long distances arrived back home at a reasonable hour!

A four day weekend for some followed with Herbert River P & A Association kicking off the weekend on Friday night, Ingham Kennel & Obedience Club and those eager beavers keen to follow the hot dogs & fairy floss, headed up to Malanda & Atherton Show Societies for shows on Sunday & Monday. I must say the weather was just perfect this year – cool but plenty of sunshine!! Innisfail Show Society didn't fail to produce the good weather, and those that made the effort to attend the Friday show, have all commented on what a wonderful day was had by all.

Atherton Tableland Kennel held their 40th Anniversary show last

weekend. From all the reports, I missed an eventful show with an absolutely spectacular trophy table. The Club then hosted a Wine & Cheese evening after the shows.

It is great to see clubs making such a spectacular effort to acknowledge not only own their roots but to openly share such celebrations with the dog show community as a whole.

Atherton then followed the next day with the Olga Henthorn Memorial Show. I dragged myself out of bed for this one and had a great day with absolutely spectacular weather. I keep repeating myself about the weather but when exhibitors often association Ag Show season with the 'R' word, it is certainly a very pleasant change.

Up and Coming Events

Coming up on the weekend 4th to the 6th October we have Cairns Show weekend – 3 shows with the Cairns Show Association being renowned for the "biggest regional country show" in Queensland, maybe even Australia.

North Queensland Junior Handlers Annual Showdown was hosted on the first weekend of August. Being the second year this event has been held in our Zone, there is little doubt that the organisers

have once again excelled with the preparation and trophy table and I am certainly looking forward sitting back and watching the little kids show us big kids how it should be done!

Last but not least, Tully & Charters Towers will hold their annual Ag Shows at the end of the month – then it is off to the EKKA for the 'Showies', giving us Northerners a few weeks break.

Straight after the EKKA are the Tully & District Kennel Club. Once again an international panel of judges have been contracted and let's face it – anything could happen. Club members are still actively looking to increase the prize haul for the trophy table. Fingers crossed the promised lights for the grounds will be in place by then.

The Toy Dog Club of North Queensland will share grounds with the Tully Club for its next two Shows for the year.

A Helping Hand

So much coming up and so much work for such a small band of committee workers for each club. I posed the question 'what stops you from volunteering at shows and on committees?'

The disappointing responses were not surprising. Often, I have considered how to broach this subject in the Zone 3 column - so here goes. Speaking from personal experience, I live by the philosophy that you get back in life what you put into it.

That is not saying that if you don't help, you won't win anything. Whilst running ragged at the shows of which I am on the committee - the reward received is in the positive feedback from those attending the shows, exhibitors, judges and the general public.

There are now more and more offers of help from those attending, because most of the committee members, try to take the same approach which sends out positive vibes to everyone. Many problems are now (mostly) only a small 'speed-bumps' along the road. So my advice to all is - don't knock it till you have tried it - put your hand up and help when you can!

It doesn't have to be at every show or on every committee, but the organisation and running of shows is a team effort and the more team members we have involved the less work for everybody.

Until next time, happy showing and enjoy the beautiful weather!!

Royal Canin would like to congratulate "**Sup Ch Euzkadi Hear the Drums**" owned by Julie and Michael Ross and bred by Tammy Martin, on winning the 2014 Battle of the Champions in South Australia. Fernando is the top winning Pyrenean Mountain Dog in Australian history.

"As he was growing Fernando was able to maintain balance and structure, not easy for a Giant Breed, a testament to Royal Canin Giant Breed Nutrition. Royal Canin Giant has given Fernando's coat a healthy glow, full of life and body, his pigmentation on his nose is a healthy shiny black and his skin is in great condition".

Fernando is exclusively fed on Royal Canin Giant Adult
