Welcome to the December issue of the Queensland Dog World.

Strategic Plan

I would like to thank all the members who took the time to review the Draft Strategic Plan and provided their valuable input towards a major step for Dogs Queensland's future. If we all give a little a lot can be achieved. I do hope that all the members who privately contacted a few Directors and myself, did take the time to put their negative or positive ideas in writing, as apathy has cost Dogs Queensland dearly in the past.

Committees

The Conformation Judges Committee arranged a Seminar on the 9th of November, the guest speaker was Glenys Alexander from Victoria. I attended this seminar and would have to say that if anyone missed this one, you missed out on a lot, it was one of the most informative and interesting seminars that I have been to in a long time.

I would suggest that all trainees and members keep watch for more of these types of seminars from the CJC in the future, as I believe the CJC will be very active in the months to come.

The Durack Committee are busy with the Camping for Durack, as well as the upkeep and fundraising for the next lot of projects for the next few years.

The Canine Health Committee have got an interesting seminar coming up on the 11th and 12th of March, all details will be provided in the January Dog World, there is also a promise of many more seminars to come.

The DOY/POY Committee are busy with the planning, fundraising and sponsorship of their next year's finals.

The Magazine, Media and PR Committee have already started with sponsorships for many committees, show bags and various promotions for Dogs Queensland.

The Queensland Dog Sports Committee are busy working on various nationals in 2015, the training of judges and so much more for the next year. Over the weekend of the 27th and 28th of June at Durack, Dogs Queensland will host the State / National Obedience Trial, State / National Rally O Trial, State / National DWD Trial and State Agility Trial.

Wow what an honour!

The All Dog Sports Spectacular Planning Committee have already started with the planning for their next Spectacular scheduled for the 24th of August 2015, which looks even bigger and better than this year's.

The Junior Handler Committee are also working hard to stage a grand Junior Handler Final in 2015.

This is to let all the members know that your Dogs Queensland Committees have been working very hard to ensure that Queensland keeps moving in a forward direction for the benefit of all of us.

I will just explain once again that retiring members of the Board of Directors will be eligible to stand for re-election and that places are reserved for a Zone 2 and a Zone 3 Director as per the provisions of the Constitution below;

Notice to advertisers

The Trade Practices Act came into force on 1st October 1974. Certain provisions of the act relating to consumer protection place a heavy burden upon advertisers, advertising agents and the publishers of advertisements. In view of the obvious impossibility of our ensuring that advertisements submitted for publication comply with the act, advertisers themselves need to ensure that the provisions of the act are strictly complied with. In cases of doubt, advertisers are advised to seek legal advice before submitting advertising material.

August Specialty Day 2016 and Melbourne Cup Show 2015

It has been recently agreed that the extra Specialty Day be continued and offered to Specialist Breed Clubs once again. This would not be an extra Show Date and Clubs would only have the option to move existing show/s.

It is proposed that for 2016, as in previous years, the Specialty Day be held on the Sunday of the 'EKKA' at Durack, in 2016 the date is Sunday the 14th of August. However, to enable Dogs Queensland to work with the RNA in scheduling their breed days, the day would only be available to four or five Clubs and would be done by application and will be rotated amongst all Clubs that wished to participate. Preference would however obviously be given to National Breed Shows.

It is hoped that this initiative would help in a number of ways, Club entries would increase, RNA entries would increase and 'space' pressure would be relieved on some of the existing Specialty Days.

Clubs are also invited to apply to hold the All Breeds Melbourne Cup Show in 2015 on Tuesday the 3rd of November. Any Club wishing to apply for either show date should do so in writing, prior to the 14th of January 2015.

Retrieving and Field Trial 'Hall of fame' 2015 Nominations

In the first fifteen years of elections, the Australian National Kennel Council Ltd has received nominations for 47 dogs and 20 people to be considered for induction into the Retrieving and Field Trial Hall of Fame. From the nominations received 25 outstanding dogs and 15 exceptional people have been inducted.

The criteria for the two categories for selection are the following:

1. **Outstanding Gundogs** (must be retired from further competition or deceased):
 - (a) Their record as a winning dog i.e., CLUB – STAKE – DATE – JUDGE PLACE and/or
 - (b) Their production record.
 - (c) The eligibility for a dog should be based on its entire competitive career and previous record as a producer, not merely for a particular win or for a heroic deed within the field and retrieving trial sphere.
 - (d) Subject to the receipt of a formal application, dogs that have been awarded the title of Grand Champion and have gained a total number of points equal to, or greater than, twice the total number required for that award, shall automatically be inducted into the Hall of Fame. Such applications must include full particulars and a brief resume of the dog's career.
 - (e) Subject to the receipt of a formal application, dogs winning at least two National Championships in the same discipline shall automatically be inducted into the Hall of Fame. Such applications must include full particulars and a brief resume of the dog's career.

2. Prominent Persons:

Their record of a broad combination of accomplishments as:

- (a) Club official
- (b) Judge
- (c) Owner
- (d) Handler

The distinction of nomination should be accorded to those who have made outstanding contributions to the field or retrieving game. Nominees should be givers to the sport and not takers.

Nominations are now being called for the fourteenth year of elections. In addition to applications submitted in relation to Outstanding Gundogs 1 (d) and 1(e), a maximum of two other outstanding gundogs and two prominent persons may be elected each year.

Nomination:

1. Clubs or Members may nominate DOGS and PEOPLE considered worthy of awards, including full details of accomplishments within the above categories and with verification. In the case of dogs, nominations should include the full name, title, owner and date of birth.

[Please note it is a condition of nomination that the nominator/s provides accurate written material supporting the nomination. In the absence of such accurate supporting material, or should the supporting material later prove to be inaccurate in areas of significance, the Selection Panel for the ANKC Ltd Retrieving and Field Trial Hall of Fame reserves the right to reconsider its decision and if appropriate, delete the name of the Prominent Person or Distinguished Dog from the list of inductees.]

2. Nominations shall close on the 31st of March, 2015 at respective Member Body offices for forwarding to ANKC Ltd.

Notes from the Conformation Judges Committee

Congratulations to all the successful trainees who have passed examinations this year, both in the theory and practical examination. Special congratulations to our new All Breeds judges, Sue Bruno, Robyn Hartmire, Mandy Schelbach, David Staines, Silvana Tassan and Pieter Tjerkstra.

There were only a few slight changes/alterations to our Trainee Rules and Regulations for the new series of lectures (September Dog World - See rules 22 and 26a). Additionally, GSD Single Breed Licence applicants are advised that the complete requirements are listed on the Dogs Queensland website.

Please note Lectures are not being held for Groups 1, 3 or 4 this year, however the dates are listed for the convenience of Distance Trainees to enable them to forward their completed essays etc within the required time.

Critiques

We have reviewed the critique requirements. In addition to the changes in Rule 26a, we note the following:

A Trainee must be listed on the Open Show panel for critiques to be recognised.

Trainees may critique interstate at recognised championship breed shows under the supervision of an accredited assessor. Queensland trainees are required to advise the CJC at least two weeks prior to the date of any such show, together with the name of the interstate assessor that they have organised.

In the latter part of this year, our dog world has lost some special people who worked tirelessly in many areas of our sport. In particular, the Conformation Judges Committee wishes to acknowledge the contribution that Noel Boddy gave to our Committee and to trainee judges. Noel was a long-time member of this Committee and acted as a group coordinator for many years. A great number of trainees have benefited from his knowledge and advice.

In November, we conducted a very successful accreditation and training seminar presented by Glenys Alexander, Chairperson of the Victorian Judging scheme. I am sure all those who attended, not only gained valuable information, but enjoyed doing so!

My thanks to everyone who has contributed to judges training in the past twelve months, particularly my hard working Committee.

Best Wishes to you all for a Very Happy and Safe Festive Season.

An Australian Silky Terrier Club of Queensland Farewell Tribute

After some twenty-six years of affiliation, The Australian Silky Terrier Club of Queensland officially closed at a member's luncheon on the 8th of June, 2014.

All relevant documentation and a relatively large bank cheque were handed over to Mr Rob Harrison by Ms Christine Magson and Mrs Ann Rohde on the 9th of July 2014.

It was a unanimous decision by all members present at the club's last meeting that all remaining funds be used for the benefit of the dog world. After much discussion it was decided to purchase two good quality weatherproof covers for the Durack rings usually occupied by the Toy Group and the Terrier Group.

On behalf of all past members of The Australian Silky Terrier Club of Queensland we hope all Group 1 and Group 2 exhibitors enjoy these new covers.

Cheers,
Ann Rohde

A little bit about the Samoyed

(An introduction through a member's eyes)

Dogs Queensland Exclusive

Feature breed written by Graeme Burke

The Samoyed, being essentially a versatile, medium-size utility dog, should present a picture of beauty, alertness and strength with agility, dignity and graceful, well-balanced movement. As his original work lies in cool and cold climates, his coat should be heavy and weather-resistant, well-groomed and of good quality rather than quantity.

He should not be long in back as a weak back would make him less efficient for his legitimate work, but at the same time, a close-coupled body would also place him at a disadvantage. Breeders should aim for the happy medium, a body not long but muscular, allowing liberty, with a deep chest and well-sprung ribs, strong neck, straight front and rear and especially strong loins. The sex should be clearly stamped.

Bitches may be slightly longer than males. Both sexes should give the appearance of being capable of great endurance but free from coarseness. Because of the depth of chest required, the legs should be moderately long.

The expression of the so-called 'Samoyed smile' is made up of a combination of eye-shape and position, and the slightly curved up corners of the mouth. Hindquarters should be particularly well developed with stifles well bent.

History and characteristics

The Samoyed is an ancient Arctic pure breed not mixed with any other dog breed and a member of the Spitz family of dogs.

Up to any challenge, ancestors were highly valued and practical members of the nomadic Samoyedic family whose dogs were deployed in versatile roles of herding, sledding, child minding, adult minding (life philosopher), early warning danger detector, warming and clothing production and a constant source of amusement

and appreciation. Attributes include intelligent, alert, friendly, mischievous, loving, full of action (hard working) and a 'smiling expression'.

Temperament

Displays affection to all mankind. Willing to please and up to any challenge. Unconditional companionship and tolerant service to man and child. Look at me, look at me and come hither and pat me (better still, feed me then rub my tummy). From baby puppy to old age, the smiling Samoyed makes every season Christmas.

Head and skull

Head powerful, wedge-shaped, with broad, flat skull, muzzle medium length, tapering foreface not too sharply defined. Lips black with the corners of the mouth forming the characteristic 'Samoyed smile'.

Hair short and smooth before the ears. Nose black for preference, but may be brown or flesh-coloured during some periods of the year the pigment of the nose can fade to a so-called 'winter nose'. Whiskers are not to be removed.

Eyes

Almond-shaped, set slanted, medium to dark brown, set well apart, intelligent expression. Eye rims unbroken black. Eye lashes white.

Ears

Thick and not too long. Slightly rounded at tips, set well apart and well covered with inside hair. Fully erect in adults, the length of ear should be the same measurement as the distance from the inner base of ear to the outer corner of eye.

Mouth

Jaws strong with a perfect, regular and complete scissor bite, i.e. Upper teeth closely overlapping the lower teeth and set square to the jaw. Unbroken black lip line.

Neck

Strong, well-muscled, carried proudly erect, set on sloping shoulders

to carry the head with dignity when at attention. The neck should blend into shoulders with a graceful arch.

Forequarters

Well placed and muscular with strong bones. Viewed from the front, straight and parallel. Shoulder: Long, firm and sloping. Upper arm: Oblique and close to the body; approximately as long as the shoulder.

Elbow: Close to the body. Carpus: Strong but supple. Metacarpus (Pastern): be slightly oblique, strong, sturdy and straight, but flexible with some spring for proper let-down of feet.

Hindquarters

Muscular, stifles well angulated. When viewed from the rear, legs and feet straight and parallel, with well let-down hocks.

Feet

Long, flattish, slightly spread, pointing straight ahead with protective growth of hair between toes to enable the Samoyed to cope with ice that would otherwise pack into the spaces between the pads.

Tail

Moderately long with the tail bone terminating approximately at the hock when down. It should be profusely covered with long hair and carried forward over the back or side when alert, but sometimes dropped when at rest.

Gait/movement

The Samoyed should trot, not pace. He should move with a strong agile stride that is well-timed. The gait should be free and tireless in appearance, balanced and vigorous, with good reach in the forequarters and good driving power in the hindquarters. The back should remain strong, firm and level.

Body

Back: Slightly longer than the height at the withers, straight to the loin, muscular with exceptionally strong loin. Females slightly longer than in males. Chest: Deep, but not too broad, well sprung ribs flattened at the sides to allow proper movement of the shoulders and freedom of the front legs, giving plenty of heart and lung room. Heart and lung room are secured more by body depth than width. Croup: Full, strong, muscular and slightly sloping and must continue imperceptibly to the tail root. Underline: The belly should be well-shaped and tightly muscled and, with the rear of the thorax, should swing up in a pleasing curve (tuck up).

Coat

Profuse, thick, flexible and dense polar coat. The Samoyed is a double-coated dog with short, soft and dense undercoat and longer, more harsh, weather-resistant and straight outer coat.

The coat should form a rough around the neck and shoulders, framing the head, especially in males. On head and on front of legs, hair is short and smooth; on outside of ears short, standing off and smooth. Inside of the ears should be well furred. On back of thighs the hair forms trousers. The correct coat texture should have a special silver tip glistening sheen.

Colours

Cream, white, white and biscuit. Outer-coat silver-tipped.

Things to be aware of

The versatile Samoyed adapts easily to urban living, but needs space to exercise and play. Take it easy during warm weather as his woolly undercoat inhibits the loss of heat built-up during exercise. Despite his medium-size, the Samoyed is not a huge eater. The Samoyed is too friendly to be much of a watchdog, but his bark will at least alert you to the presence of strangers or danger. Although the Samoyed is a truly magical breed, at times he may like to dig a hole or two in your garden and lawn.

Start puppy training, socialisation and grooming early. Samoyed's get on well with other pets and they instinctively bond with children and family life. The Samoyed likes to share his coat with you when shedding, but his wool may be collected, spun and made into various beautiful garments. Samoyed's crave human company. Typically, puppies (and many adults) are energetic, happy-go-lucky and mischievous. Protect and love this magical gift from God and the Samoyed will return his magic at least one hundred-fold.

Zone 2 Dog World Column for December 2014

After a very long and busy year, members are now looking forward to a break over the Christmas period as activities in the dog world go into recess for a short while, before recommencing in 2015.

There are a few activities occurring during December, however, most members take the opportunity of the reduced level of these to have a well-earned break.

Key 2014 highlights

Throughout the year there have been many initiatives being worked on to improve our organisation and I have summarised a few of the key initiatives that have been commenced:

- Commencement of a Strategic Planning process for Dogs Queensland;
- Engagement of a Marketing Manager and Graphic Designer;
- Infrastructure developments at Durack;
- New look for the Dog World magazine;
- Improved public engagement opportunities – DQ Stand at EKKA, promotional trailer, increased media presence

These are but a few of the initiatives that Dogs Queensland has implemented and commenced to bring about improvements in the organisation and build the 'brand' of Dogs Queensland.

While not everyone will agree with all changes, it is important to consider that they are being implemented with a genuine desire to improve and if members have any feedback it is important to direct this to the organisation to enable it to be taken into consideration.

Congratulations

Congratulations to Robyn Herdman who is having a great run with her Tibetan Spaniels at the CQ Toy Dog Club shows. After winning Best In Show in Rockhampton with Leonard (Sup Ch Boldstar Ampo Namba), Robyn again tasted success in Sarina, winning Best In Show with Oliver (Ch Boldstar Ice On Fyr). Well done Robyn.

Vale Kevin Lewis

It is with sadness that I report of the recent loss of Kevin Lewis, husband of Rockhampton stalwart and Dogs Queensland Life Member, Dawn Lewis.

The Lewis family have been supporting dog activities in the Rockhampton area for decades. Our thoughts are with Dawn and her family at this sad time.

Beautiful Baby In Show Lineup

Callide Classic 2014

Members in Zone 2 met in Rockhampton on the 18th of October 2014 to participate in the second Callide Classic held at the Robert Schwarten Outdoor Area at the Rockhampton Showgrounds.

The Callide Classic competition included Junior Handler Classes, Veterans Sweepstakes, Puppy Classic for all Minor and Puppy In Show winners in the qualifying period, and Dog Classic for all Best and Runner-Up In Show winners in the qualifying period.

Read more about the Callide Classic in the special feature on this event.

Do you have an issue?

For the most part people enjoy their dogs and their chosen hobby, but from time to time issues can arise. This is why it is very important that members understand and are aware of the rules and requirements in relation to the management of issues.

It is the recommendation of the organisation and the preferred method of dispute resolution that the parties discuss, address and resolve any issues without the need for formalised processes and escalation.

However, in the event that a dispute cannot be resolved between the parties, Dogs Queensland has a clear and documented process for the management of complaints based on documentation, evidence and the tenet of natural justice which enables both parties to have a fair and equal opportunity to represent their case. Members should become familiar with this process in the event that something unfortunate happens and so that they understand their rights and obligations.

The complaints process is easily accessible on the Dogs Queensland website for reference and clearly outlines that any concern or complaint that does not comply with this process will not be accepted or addressed by Dogs Queensland.

Workers Needed

Dogs Queensland is powered by its volunteer workers throughout the state organising and running events for the enjoyment of exhibitors.

This work often goes unnoticed but it is important to understand that volunteers do a great deal of work and give up a lot of their personal time to enable us to enjoy our hobby and more are needed to sustain us. Most of the time, the majority of members have no understanding of the time commitments and work required to get events up and running.

Zone 2 Showcase

The Queensland Dog World

Continued from page 25

There are many ways that members can help to contribute in ways that can fit in with their own time commitments. Have you considered:

- Contacting and becoming a member of your local club? Many members contribute to clubs across the state whether it be setting up or pulling down, canteen, buying prizes, serving on committee executive positions, maintenance, administration support, photos – the list is endless and can be coordinated into the available time you have to give. Clubs are extremely grateful for any support that can be given;
- Becoming a show worker? Many hands make light work – this saying is so true. While there are a dedicated group of show workers in this Zone and across the state, it would be great to have more so the work can be shared out.
- Perhaps you might like to try your hand at table writing or stewarding, or being a show manager and the members who already do this are usually more than happy to mentor and support you in this; and keep an eye out for training coming up in your area for these roles; or
- Nominating for Dogs Queensland committee positions? Many of our members have brilliant skills which could be of great benefit to the organisation. There are many committees where members skills could very valuable.

Submissions welcome

Members are encouraged to provide submissions for the column including photos, stories or just leads or topics for discussion. Input and contributions are always welcome. Please email any submissions to me at craig.pettett1@bigpond.com

Merry Christmas and Happy New Year

I'd like to take the opportunity to wish all Zone 2 members and all members throughout the state a very Merry Christmas and Happy New Year. I'd like to extend a big thank you to the members who have contributed content for the column this year and look forward to more in the future. Big thanks to our Editor, Nadia Attridge who is exceedingly supportive and patient with me. It has been a very long but enjoyable year and I'm sure everyone is looking forward to a bit of a rest before it all starts again in 2015. Please make sure that you have a safe and restful break.

Until next time.

Georgia Howes

Junior Handler Final North Queensland

The Amenities Committee hosted the NQ Junior Handler final in Ingham which attracted an entry of fifteen kids from the north. The three secret judges for the event were Shannon Barden, Crystal Walker and Garrett Everson who each had control of their own ring. Once each handler had been judged, the three judges came back to the main ring to make their placings.

The youngest age group is certainly coming along in leaps and bounds, and attracted the biggest entry of the competition. It is great to see the NQ dog world will be flourishing with such a huge amount of children coming through the ranks.

Kayne Roberts was awarded first, Braithan Kuhn second and Tabitha Goulevitch was presented third. In the middle age group, first place went to Montana Field, second to Brill Goulevitch and third to Georgia Howes. Interestingly, all three girls handled a gundog! The last class, and certainly the one to watch, was contested by four handlers with eventual winner going to Emily Puglisi, second to Brooke Reading and third to Madison Mason with a highly commended being presented to Monique Hale.

Emily, Montana and Kayne all then entered the ring to find the overall winner of the competition. Each handler did a triangle, with a straight up and back as one exercise, and also mouthed the dogs for the judges.

After thanks to the sponsors, including Shane Thomas who had spent a fortune on the wonderful crystal trophies and speakers for the winners, the winner was announced as Emily Puglisi! Emily and her handlers dog, the vizsla Cuda, did a lap of honour and Cuda was so very excited for the loud applause and clapping! Brooke then entered the ring to compete for the Runner-up.

Montana Field, handling Morris the GWP, was announced as overall Runner-up and her smile would have been able to power a whole city! The three judges then spent time doing a workshop with the handlers, and the under 10's were very lucky to have Crystal Walker (who has the patience of a saint) spend just over an hour with them and their imaginary dogs working on ring exercises.

The young handlers certainly learnt a huge amount in that time, and I was flabbergasted to watch how Crystal managed to keep the large group of under 10's enthralled for such a long time! Shannon and Garrett worked with the two older grounds, and gave individual feedback to each kid which helped all the handlers immensely.

Workshops like that happen only twice a year in NQ, and so it is great to see them take advantage of the situation when it does occur. Huge thanks to Jacqui Cant and Cheryl Jones for providing the photos from the event!

Library News *Christmas message*

As this year draws to a close, it is time to reflect on what has happened over the past twelve months.

Unfortunately I have to say that the Library at Durack has been 'under used', the reasons for this are probably due to the easy access to information on the 'net' and the possible location of the Library within the Durack complex.

This Library is a wonderful asset to Dogs Queensland and the resource material available is amazing. First time visitors to the Library have been quite surprised by the size and content found there.

This year we have added a number of new books, focusing on books on new breeds such as 'Hairless Dogs' and judging 'know how' in Robert Cole's book 'An Eye for a Dog'.

With the support of the Library Committee, a complete stocktake was completed and catalogue updated. This was a huge task and I thank the Committee for their effort.

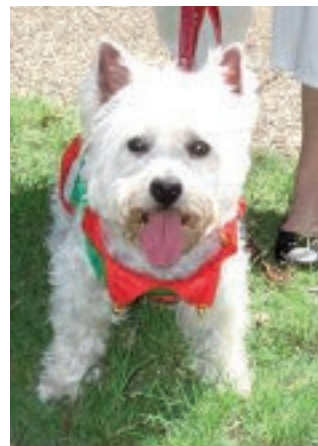

I would also like to say 'thank you' to the people who have visited the Library, borrowed books and helped in many ways. Your support has been most appreciated.

I wish you all a very Happy Christmas, enjoy the break and come back refreshed in the New Year.

Take care and Travel Safe, best wishes for 2015!

No Greater Honour for a Christmas Dog

A Tribute to Ben

Dogs Queensland Exclusive

Written by Graeme Burke

As I approached 900+ points with my tenth Samoyed conformation dog, another Samoyed exhibitor asked me who is your favourite dog of all-time? Ben, I answered (not the dog I was currently showing).

If you are human, like me, we are not quite as honourable as our dogs. Although we all like to win occasionally, it is not so much how quickly or how many points or awards a dog and handler attains, what really matters is the unmeasurable magic that a dog unconditionally gives back. Although Ben reached 300+ points with relative ease, he was more at home pulling the Club's Christmas sleigh with Santa on-board and myself on the back of the sleigh.

The Christmas of 2006 saw Ben again happily pulling the Club's sleigh at Brisbane and Gold Coast shopping centres. It was at one of these Christmas functions on the Gold Coast that Ben met Suzette. Suzette was a total stranger from the general public who just happened along.

Suzette did not know the magic of the breed of dog she was drawn to. She was a petite lady with a few health issues. Suzette lived by herself and was craving a companion dog who could live inside her house, share her life and especially go walking with her along the beach.

Sometimes, things just click, and Ben went to live with Suzette on a trial bases. After Ben (and Suzette) passed their probation period, Ben was signed over to Suzette. Uneventfully, more than a year went by until, out of the blue, I received a phone call from the Southport police saying that my dog has savaged an invalid pensioner and that I had better come down to the station.

I could not believe my ears! Adult Samoyed's are bite-less dogs inherently devoted within their ancient DNA to serve mankind (all of our dogs carry our contact details on their micro-chip as an alternate contact regardless of where they may end up in the world).

After visiting the Southport police station, learning the facts, visiting Suzette in the Southport Hospital and talking with Suzette's neighbour across the road, what actually happened was Suzette got up one Sunday morning and routinely began to make herself a cup of tea.

As she began to lift the kettle to pour the boiling water into her cup, she found herself lose power and she slumped to the kitchen floor. Although she was conscious, Suzette could not move her limbs. All she could do was blink her eye lids, uncontrollably dribble and incoherently mumble some words.

Suzette still faintly but very proudly carries Ben's teeth marks on

her upper arm as she tells the story how Ben dragged her from the kitchen floor through the side fly-screen sliding door (ouch!) and out onto the front yard. Fortunately, Suzette's retired neighbour from across the road was doing some early morning gardening and he thought he saw a large white dog savaging Suzette so he immediately called the police.

On further investigation, Suzette's neighbour realised that Suzette required an ambulance so he called for an ambulance. Ben sat quietly beside Suzette's side until the ambulance arrived. As they say, the rest is history.

My wife and I visited Suzette in hospital a couple of times during her recovery. Suzette said that if it wasn't for Ben she would be 'pushing up daisies and dancing with the Devil'. Suzette used to drive an old, worn-out Holden Ute. Upon her recovery and from her near-death experience, Suzette went out and bought a white Mercedes with leather seats. Suzette said that Ben can sit anywhere he likes.

Yes, understandably, there is pride and a sense of achievement in attaining titles and awards in the conformation ring but, for me, there is no greater a rare honour when a dog that you have bred helps save another person's life.

This article is a tribute to Ben who has sadly since passed away. Photograph credits Ben as a young twenty-one month old and Carol Burke his breeder, exhibiting in the 2002 Boonah Show Society Championship Show.

Original newspaper article:

Lifesaver Ben

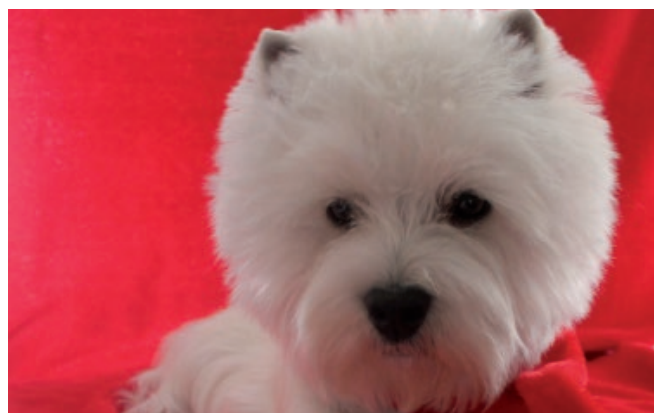

A Paradise Point woman owes her life to a quick thinking Samoyed dog. Suzette, 64, who lives alone, unexpectedly suffered a perforated aorta early on Sunday morning whilst making a cup of tea in her kitchen.

The pure bred Samoyed named Ben, dragged the semi-unconscious and helpless woman to the footpath where a neighbour was able to call for an ambulance.

Suzette said, 'Ben has been trained to open the side door and the front gate to help me come walk time.' 'The inherent intelligence and human like bond within this most beautiful breed has saved my life.' 'Ben is my hero, my love and my best furry friend.'

An introduction to Samoyed's

Dogs Queensland Exclusive

Written by Jenni Williams

Samoyed's are unlike any other breed. They are not just 'white, fluffy Siberian Huskies or Alaskan Malamutes'. Their individuality is what enabled them to survive in the harshest of climates and to remain as pure as they are.

They are one of the oldest and purest breeds of dog in existence today. The modern day Samoyed has been bred down from the oldest strains, without any input from any other breed to strengthen or perfect it. In fact, recent DNA analysis of the breed has led to the Samoyed being included amongst the fourteen most ancient breeds.

Physically, Samoyed's are the most efficient design of the Northern Breeds. They have a more pronounced double layer coat than their cousins. The long silver guard hairs are tough and soil/water repellent. Snow cannot accumulate on this coat and the dog can easily shake it off.

The guard hair's length remains constant and should stand straight out whilst the woolly inner coat is so thick during winter that you can't push your finger to the flesh. In Spring the warm woolly hair is shed and can be spun and woven. The coat has no 'doggie' odour. The only scent a Samoyed has is the musk exuded between the toe pads for scent marking.

The deep brown eyes are set behind almond shaped black eyelids to reduce glare from the snow. The eyelashes and eye brows aid in keeping snow and sleet out of the eyes. The feet are designed so that toes spread out (like built in snowshoes) and there is very dense, long hair between the toe pads to prevent ice from accumulating.

This hair also serves to provide traction on slippery surfaces and padding when running over rocks or tundra. The curved tail is used to cover the nose during extreme cold weather where it acts as a pre-filter to warm and humidify the air that is inhaled.

The chest is a pronounced v-shape in order to support stronger

musculature. The skeleton is much heavier than would be expected for a dog its' size in order to support the muscles that give it the strength to haul huge loads.

Yet it is not so massive that the Samoyed is not nimble or agile. They need the speed to run down reindeer as well as the strength and agility to hunt bears and other game.

Samoyed's hunted, herded and hauled and enjoyed every minute of it. However, they were just as happy being the wet nurse for the family baby or the bed warmer for a hunting expedition.

No other breed gives so much and asks so little.

Queensland State Retrieving Trial Championship 2014

Judge's Report: Mr. Trevor Stevens (Victoria)

Location: Allenview

Between Jimboomba and Beaudesert.

A grazing and cropping property with a creek winding through it. An excellent natural location to test the retrieving ability of some of the leading competition working gundog retrievers and their handlers found in Australia.

Twenty-five dogs were entered and twenty-four started.

Breeds entered included:- fifteen Labradors, six German Shorthaired Pointers, two Golden Retrievers, one Flatcoat Retriever, one Nova Scotia Duck Tolling Dog.

Handlers came from Queensland, New South Wales, Victoria and Western Australia.

The championship committee with the help of local supporters and interstate assistance from key individuals such as Wayne Outrim and Penny Angel (NSW) ensured a smoothly running event.

Six challenging runs with all elements of retrieving and all within easy walking distance of the encampment. Pigeons and rabbits were used and all game was in excellent condition.

In brief, the runs were;

Run 1	Triple retrieve
Run 2	Double rise retrieve with a double fall retrieve.
Run 3	Double blind retrieve (one a rabbit) and a single mark retrieve
Run 4	Blind retrieve, mark retrieve and a rabbit drag retrieve.
Run 5	Walk-up mark retrieve, blind retrieve and a double fall retrieve.
Run 6	Double mark retrieve and a blind retrieve.

Dogs were tested for steadiness behind a hide twice and were required to swim in the third and sixth runs. Spectators were positioned so that they had a good overview of all of the runs. Twenty-four dogs were started and unfortunately thirteen of them were lost on the first run which was a triple mark.

The triple mark had the handler and dog in a large shallow depression. The first mark was to the right of the handler one hundred and forty metres just on the back of a ridge. The second mark was in the middle ground about one hundred and ten metres on the front of the same ridge and the third mark was on the left at about sixty metres and falling on high ground out of sight of the handler.

The second mark was to be picked up first and then the third mark and lastly the first mark. The marks were quite clear but dogs that did not see them could be handled onto them except for the bird on the high ground.

Four dogs went out on the double rise/double fall on the second run.

All seven dogs that remained after the second run completed the trial. The winning dog RT Ch Acolon Prince of Cypher handled by Karl Britton scored consistently over the weekend and on 283 points finished 30 points ahead of the second dog. It was a very worthy winner.

Final placings:

1 st	RT CH ACOLON PRINCE OF CYPHER, Labrador, K. Britton (VIC)
2 nd	TIRNANOGE HALLIES RUN RRD, Labrador, G.Tawton (VIC)
3 rd	RT CH. WINTERSET MOONRAKER, Golden Retriever, P.Towning (QLD)
4 th	RT CH. HORRISSAPIT SARGENT BOB, Labrador, M. Sargisson (NSW)
5 th	BRIGODEE BLACK TIE AFFAIR RRD, Labrador, G. Meeve (NSW)

Maree Kennel Club Inc 2014 Melbourne Cup Show

Once again the Maree Kennel Club Inc hosted a Championship show on Melbourne Cup day, Tuesday the 4th of November. This show continues to be a 'must go to' event on the calendar for many exhibitors and this year was no exception, with a great entry for a mid week show of 476.

The usual 'Sweeps' for the big race were well supported and this gives everyone the opportunity to 'draw' a horse and win some money.

A Melbourne Cup show could not be held without the 'Fashion of the Field' and with Judges Dennis Moran in charge, twenty-three ladies lined up to be judged Best Dressed Lady. This event always brings a laugh and applause as the ladies parade in their Cup attire.

Thank you everyone for your support, hopefully we will be back next year to do it all again. Also a huge 'thank you' to Maree Kennel Club honorary member, Mrs Ann Rohde who donated the prize money for our Novelty Events.

Results for the day were:

- Best Dressed Lady: Ainslie Richards
- Best Dressed Gent: Wayne Carter
- Best Ladies Hat: Tiffany Heares
- Best Gents Hat: Don Quinn
- Best Dressed Handler and Dog: Elisa Walker

See you all again next year. Merry Christmas and best wishes for 2015. President, committee and members of Maree Kennel Club Inc!
