Dear Sir / Madam,

I refer to your recent enquiry for Application of a Breeder's Prefix, and have pleasure in enclosing the application form for your use. Please complete as appropriate and return it to this office with your payment. **ALL PREFIX APPLICATIONS MUST BE ACCOMPANIED BY A COMPLETED OPEN BOOK EXAMINATION BASED ON THE VCA GUIDELINES FOR BREEDERS BOOKLET.**

As a potential new Breeder there are, no doubt a number of questions you would like answered and I take this opportunity to introduce you to Dogs Queensland.

Dogs Queensland administers and is wholly concerned with the welfare and betterment of purebred dogs throughout Queensland. A purebred dog registered with Dogs Queensland may be eligible for entry in Open Shows, Championship Shows, Obedience, Tracking, Agility, Field or Retrieving Trials held throughout the State by Clubs affiliated with Dogs Queensland. Before entry however, the owner must be a financial member of the Dogs Queensland. Open Shows and Sweepstakes may be entered by a non-member with a Registered dog.

In order to breed and register any litters, all owners of the Dam **MUST** be financial Members of Dogs Queensland and must **ALSO HAVE A FINANCIAL BREEDER'S PREFIX.**

The Owner(s) of a Sire which is resident in Queensland must be a financial member(s) of Dogs Queensland to be able to use their dog for Stud purposes.

The granting of a Prefix is controlled by an Interstate Processing Bureau for the whole of Australia and could well take up to **FOUR (4) WEEKS** before being granted. This should be applied for in good time as you will not be able to register any litter of puppies until a Prefix has been approved. Additionally.

Litter registration application forms are available on request from this office – as is all other stationery. When your puppies have been registered, Certificates of Registration will be issued. This is, in fact, the puppy's birth certificate and should be treated accordingly: A lost certificate will cause you needless trouble, as well as an additional fee for the issue of a duplicate certificate. It is also your responsibility to transfer these puppies to the new owner within fourteen (14) days. Litter registration applications should be submitted before the puppies are three (3) months of age and the cost of registering the puppies increases after this time. At the extreme, Litter Registration Applications should be submitted by **NO LATER THAN TWELVE (12) MONTHS OF AGE.**

It is the responsibility of the Breeder to ensure that all puppies are vaccinated at six (6) weeks of age and that the puppies are not transferred or sold from the Breeder's care until they are at least eight (8) weeks old.

BREEDERS RECORDS	The exact details as to what records are kept is to be decided by each Breeder. The following details are considered to be minimum for inclusion in the "Breeders Book":
