Rule 20.1(1): A person shall not be entitled to register a dog in the General or Development Registers of Dogs Queensland unless that person is a financial member of Dogs Queensland, is the breeder of such dog, is resident in Queensland and is the owner of a Registered Prefix, both at the time of mating and time of whelping, for which all fees payable have been paid. Suspension or disqualification of membership negates such eligibility.

Rule 21.1: A member who breeds a litter of dogs, the parents of which are registered or eligible for registration with Dogs Queensland or other recognised canine body must:

(1) Register such litter, including all of the living progeny in such litter at one (1) and the same time within eighteen (18) calendar months of the date of whelping or prior to sale or rehoming (see Rule 28). No litter will be registered after twelve (12) months of age without the approval of Dogs Queensland.

Rule 23.6: No member or person other than the member in whose name a Prefix is registered shall use such Prefix in any way and in particular, no member or other person shall be entitled to use a registered Prefix or part of a registered Prefix as the whole or any part of their business name unless such Prefix is registered in the name of that member.

Rule 27.1: Each breeder of dogs must keep in a bound book or suitable computer database or spreadsheet, with provision for suitable details, a proper record of his/her dog breeding activities (including whelping, inoculations, purchases, disposals, etc.), as directed by Dogs Queensland.

I / We hereby apply to renew a Dogs Queensland Breeder's Prefix.
