

BACKPACKING/ HIKING

Veterinary Certificate of Soundness

Host Club: _____

Event Date: _____

The dog mentioned in this Certificate of Fitness will be required to complete a three (3) day camping hike carrying thirty percent (30%) of their body weight for a minimum of sixteen (16) kilometres to a maximum of twenty-five (25) kilometres per day. The hike will consist of backcountry, including rocky trails, steep hills, creek crossings and land that is inaccessible to vehicles.

The following information is required by the Owner within 14 days of the Test date and is to be handed to the Trial Secretary prior to the pre-test Vet check on the day of the Test.
